This Addendum forms a part of the contract documents and answers asked by interested vendors:

1. **Question:** Can we join today's webinar or get handouts from it?
   Answer: The pre-proposal conference was open to all and the only handout was the agenda for the day.

2. **Question:** Do you have any handouts or Q & A from the bidder's conference we could review?
   Answer: No, the only handout was the agenda for the day and for all questions asked, the participants were instructed to email me those questions at a later date so that the questions and the answers can be placed in addendum where the answers would then become official.

3. **Question:** Do you have a budget range we could do planning from?
   Answer: No, we will not be able to provide a range
