Message from the Marshal

United States Army Retired General Arthur G. Trudeau, once said, “Character is the total of thousands of small daily strivings to live up to the best that is in us. Character is the final decision to reject whatever is demeaning to oneself or to others and with confidence and honesty to choose the right.” Well troops, I am pleased that each of you continues to exhibit and practice General Trudeau’s sentiments.

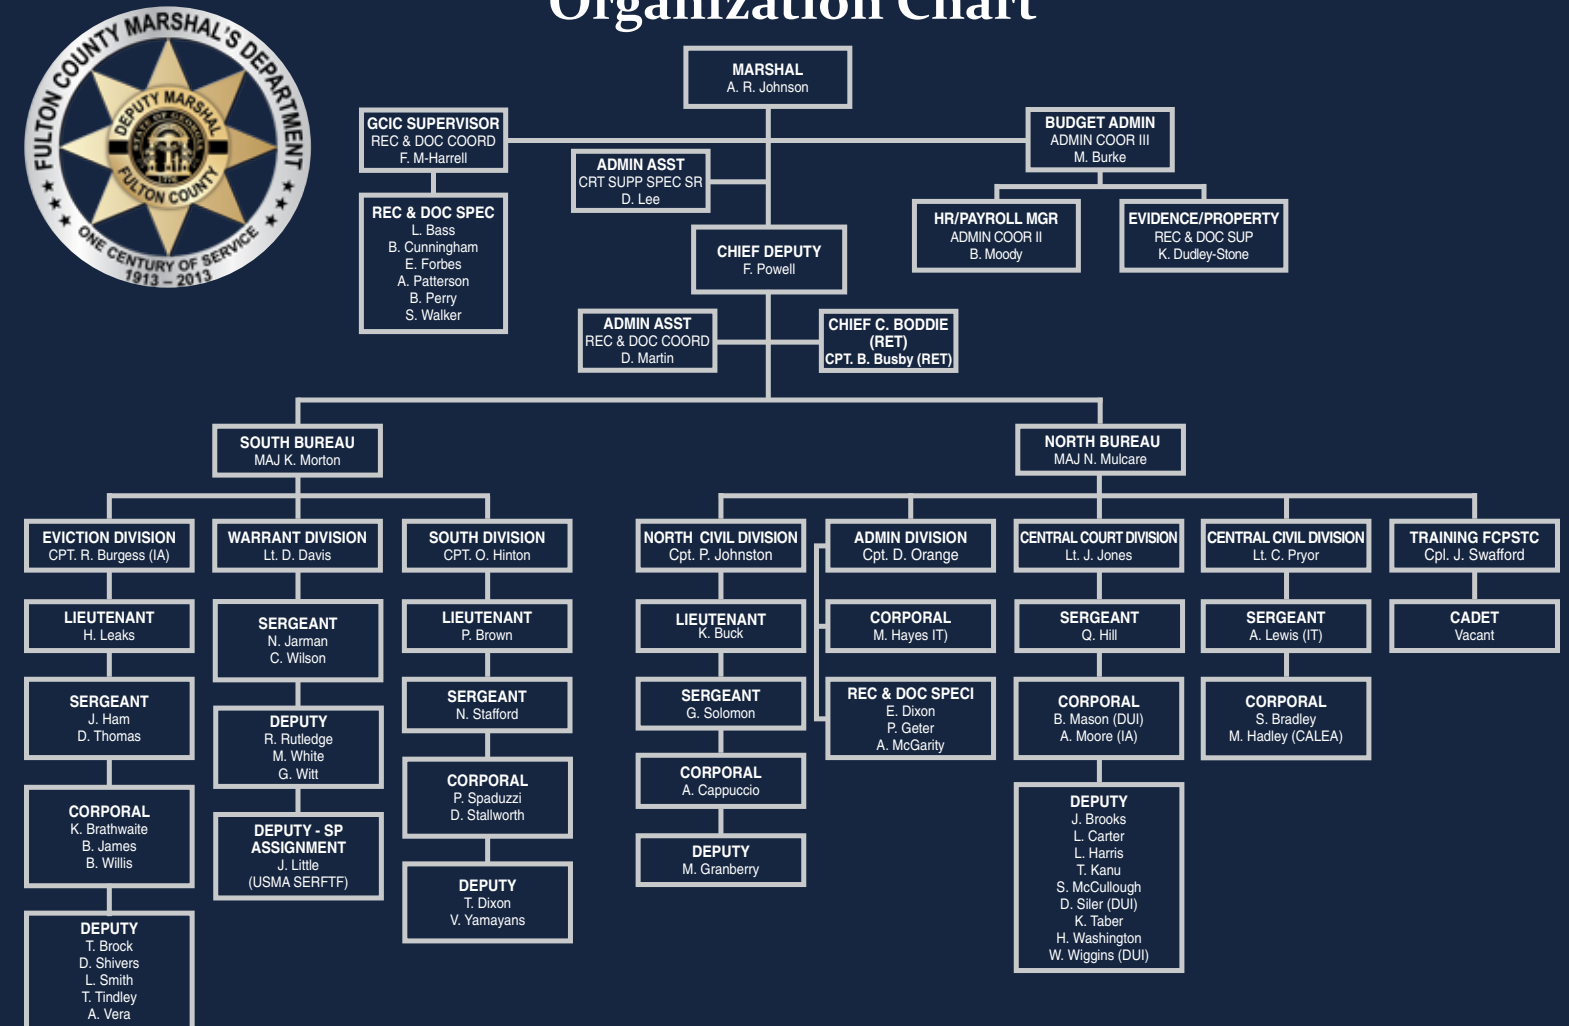

In 2015, we achieved our 7th consecutive, successful re-accreditation from the Commission on Accreditation for Law Enforcement Agencies (CALEA). Additionally, we served the community by partnering with the Gang Resistance Education and Training (G.R.E.A.T) Program for students, volunteering each month at Open Hand, as well as participating in many other community service events.

In summary, I am excited about serving the citizens of Fulton County in 2016. With that said, I am certain that we will be steadfast, with compassion and admiration, while performing our mandated law enforcement duties reverently.

Fulton County Marshal's Department IT Projects for 2015

Wireless Card and Hotspot Upgrade

On October 10, 2015, the Marshal's Department upgraded all mobile broadband cards (air cards). These air cards allow for wireless access to the network in the field. With this access deputies in the field can email, fax, and listen to telephone messages in the field. In addition, deputies in the field are also able to access the records management system, Odyssey. Therefore, this allows for the updating of records in the field which provides real-time updates to customers.

Sergeant C. Wilson

The G.R.E.A.T. Program stands for Gang Resistance Education and Training. This program provides a school-based program that includes classroom instruction and various learning activities conducted by sworn/certified criminal justice professionals. Dama Lee

Elsie Dixon

It's not enough that individually the efforts of Elsie Dixon, Ophee Hinton, Dama Lee, Paul Spaduzzi, April Lewis, Aprille Moore, and Gary Solomon make our streets safer every day. Each of their jobs, whether it is working in the offices downtown or heading out to the streets, are all about public service. But for these employees, their community service continues even when they are off the clock.

The group has spent more than 100 hours on Saturday mornings with Open Hand as part of the Meals on Wheels program. On their own time and in some cases burning their own gas, they deliver and prepare meals to the elderly, ill, and disabled participants in the program.

Besides just being a great thing to do to help their neighbors, it also saves Open Hand thousands of dollars in costs having these additional helping hands volunteering their time for those incapacitated and in need.
