Any award made as a result of this bid shall be for one (1) year from the issuance of a Purchase Order or Notice to Proceed. Fulton County reserves the right to renew the contract for two (2) additional one (1) year renewal periods pending availability of departmental appropriated funding, vendor compliance with County rules and policies, vendor performance as it directly relates to the contract and approval by the Fulton County Board of Commissioners.

**9. NO CONTACT PROVISION**

It is the policy of Fulton County that the evaluation and award process for County contracts shall be free from both actual and perceived impropriety, and that contacts between potential vendors and County officials, elected officials and staff regarding pending awards of County contracts shall be prohibited.

- A. No person, firm, or business entity, however situated or composed, obtaining a copy of or responding to this solicitation, shall initiate or continue any verbal or written communication regarding this solicitation with any County officer, elected official, employee, or designated County representative, between the date of the issuance of this solicitation and the date of the County Manager's recommendation to the Board of Commissioners for award of the subject contract, except as may otherwise be specifically authorized and permitted by the terms and conditions of this solicitation.
- B. All verbal and written communications initiated by such person, firm, or entity regarding this solicitation, if same are authorized and permitted by the terms and conditions of this solicitation, shall be directed to the Purchasing Agent.
- C. Any violation of this prohibition of the initiation or continuation of verbal or written communications with County officers, elected officials, employees, or designated County representatives shall result in a written finding by the Purchasing Agent that the

---

submitted Bid or proposal of the person, firm, or entity in violation is “non-responsive”, and same shall not be considered for award.

- 10. BID AND CONTRACT SECURITY:** A Bid Bond for an amount equal to five percent (5%) of the bid amount must accompany each Proposal. The bid bond shall be submitted in a separate, sealed envelope marked “Bid Bond”.

**Bids must be accompanied by a bid bond or certified check** in an amount of five percent (5%) of the TOTAL AMOUNT of the base bid. The bid bond or certified check shall apply ONLY TO THIS BID. The bid name and contract number must appear on the security instrument. The bond must remain in full force and effect until the Bidder executes the final Contract. Bids not satisfying the bonding requirements of this project will be declared non-responsive.

The Surety of the Bid Bond shall be from a surety company authorized to do business in the State of Georgia, shall be listed in the Department of Treasury Circular 570, and shall have an underwriting limitation in excess of 100% of the bid amount. The Bonds and Surety shall be subject to approval by the County Attorney.

As a condition of responsiveness the bid submission must contain a Bid Bond for an amount equal to 5% of the bid amount. Checks or letters of credit of any type will not be accepted. A certified cashier’s check will be acceptable. When the bidder’s package is opened, a Purchasing Agent will verify the presence of the Bid Bond and remove it from the bid package.

If the bidder withdraws its bid from the competition after the selection of its bid for a reason not authorized by Georgia law, the County will proceed on the Bid Bond, along with any other available remedies.

Any bid bond, performance bond, payment bond, or security deposit required for public works construction contract shall be approved and filed with purchasing agent. At the option of the County, if the surety named in the bond is other than a surety company authorized by law to do business in this state pursuant to a current certificate of authority to transact surety business by the Commissioner of Insurance, such bond shall not be approved and filed unless such surety is on the United States Department of Treasury’s list of approved bond sureties.

A Purchasing Agent shall approve as to form and as to the solvency of the surety any bid bond, performance bond, or payment bond required. In the case of a bid bond, such approval shall be obtained prior to acceptance of the bid or proposal. In the case of payment bonds and performance bonds, such approval shall be obtained prior to the execution of the contract. Whenever, in the judgment of the County:

- 
- (1) Any surety on a bid, performance, or payment bond has become insolvent;
  - (2) Any corporation surety is not longer certified or approved by the Commissioner of Insurance to do business in the state; or
  - (3) For any cause there are no longer proper or sufficient sureties on any or all the bonds

The County may require the contractor to strengthen any or all of the bonds or to furnish a new or additional bond or bonds within ten (10) days. Thereupon, if so ordered by the County, all work on the contract shall cease unless such new or additional bond or bonds are furnished. If such bond or bonds are not furnished within such time, the County may terminate the contract and complete the same as the agent of and at the expense of the contractor and his or her sureties.

Attorneys-in-fact for bidders who sign bid bonds or contract bonds must file with each bond a certified and effectively dated copy of their power of attorney.

11. **RIGHT TO REJECT BIDS:** The County reserves the right to reject any or all bids and to waive informalities. No bids will be received after the time set for opening bids. Any unauthorized conditions, limitations or provisions attached to the Bid, except as provided herein, will render it informal and may cause its rejection. Unbalanced bids will be subject to rejection. Any bidder may withdraw his/her bid, either personally or by telegraphic or written request, at any time prior to the scheduled closing time for receipt of bids. Telegraphic or written requests for withdrawal must be in the possession of the County prior to the closing time for receipt of bids.
12. **APPLICABLE LAWS:** All applicable laws and regulations of the State of Georgia and ordinances and regulations of Fulton County shall apply. Protestors shall seek resolution of their complaints in the manner provided in the Fulton County Code of Laws §2-324, which is incorporated by reference herein.
13. **EXAMINATION OF CONTRACT DOCUMENTS:** Prospective bidders shall examine the contract documents and before submitting a bid, shall make a written request to the County for an interpretation or correction of any ambiguity, in consistency or error therein which could be discovered by a bidder. At the bid opening each bidder shall be presumed to have read and be familiar with the contract documents.
14. **TERMINATION:** The County may terminate the contract resulting from this solicitation at any time the vendor fails to carry out the contract provisions, if in the opinion of the County, the performance of the contract is unreasonably delayed, or the vendor is in direct violation of the contract conditions. The County shall provide the vendor with notice of any

---

conditions which violate or endanger the performance of the contract and, if after such notice the contractor fails to remedy such conditions within thirty (30) days, to the satisfaction of the County, the County may exercise their option in writing to terminate the Contract without further notice to the Contractor and order the Contractor to stop work immediately and vacate the premises. Vendor agrees by its bid submission that the County's decision is final and valid.

15. **INSURANCE AND RISK MANAGEMENT PROVISIONS:** Insurance and Risk Management Provisions and Indemnification and Hold Harmless provisions are outlined in Section 6 of this bid document. The bidder is required to sign the document and include it with its bid submission.
16. **WAGE CLAUSE:** Pursuant to Fulton County Code section 102-391, Each Contractor shall agree that in the performance of the Contract he will comply with all lawful agreements, if any, which the Contractor had made with any association, union, or other entity, with respect to wages, salaries, and working conditions, so as not to cause inconvenience, picketing, or work stoppage.
17. **BID OPENING:** Bids will be opened in public and read aloud. All bidders are requested to be present at the opening.
18. **DETERMINATION OF SUCCESSFUL BIDDER:** Fulton County desires to complete this work in a timely manner. The Contract will be awarded to the lowest responsive, responsible bidder(s), if awarded.
  - 1) **Responsibility:** The determination of the bidder's responsibility will be made by the County based on whether the bidder meets the following minimum requirements:

    - b) Maintains a permanent place of business individually or in conjunction with the prime contractor.
    - c) Has the appropriate and adequate technical experience. Designated Project Manager must be proficient in all aspects of contracted work.
    - d) Has adequate personnel and equipment to do the work expeditiously.
    - e) Has suitable financial means to meet obligations incidental to the work.
  - 2) **Responsiveness:** The determination of responsiveness will be made by the County based on a consideration of whether the bidder

---

has submitted a complete Bid form without irregularities, excisions, special conditions, or alternative bids for any item unless specifically requested in the Bid form.

- 19. NOTICE OF AWARD OF CONTRACT:** As soon as possible, and within sixty (60) days after receipt of bids, the County shall notify the successful Bidder of the Award of Contract.

The award shall be made by the Board of Commissioners of Fulton County to the lowest responsive, responsible bidder(s) as soon as possible after receipt of bids, taking into consideration price and the responsiveness to the requirements set forth in the Invitation for Bid. In such case, no claim shall be made by the selected Contractor(s) for loss of profit if the contract is not awarded or awarded for less work than is indicated and for less than the amount of his bid. The total of the awarded contract shall not exceed the available funds allocated for this project.

Should the County require additional time to award the contract, the time may be extended by mutual agreement between the County and the successful bidder. If an Award of Contract has not been made within sixty (60) days from the bid date or within the extension mutually agreed upon, the Bidder may withdraw the Bid without further liability on the part of either party.

Any award made by the Board of Commissioners as a result of this bid will begin from the date of the notice to proceed. The Bidder agrees hereby to commence work under this Contract, with adequate personnel and equipment, on a date to be specified in a written order of the Program Manager. The contract shall become effective on the Contract Date and shall continue in effect until the end of the term of the contract or until the project has been closed-out by the User Department unless earlier terminated pursuant to the termination provisions of the contract.

- 20. BASIS OF AWARD:** The Contract, if awarded, will be awarded on a lump sum basis to the lowest responsive and responsible bidder. No bid may be withdrawn for a period of sixty (60) days after the date of bid opening except as permitted by O.C.G.A., §36-91-41 et seq., as amended. Each Bid must be accompanied by a Bid Bond in accordance with the Bid Bond Requirements provided in the Contract Documents, on a Surety Company's Standard Bid Bond Form acceptable to the County in an amount no less than 5% of the amount bid. The successful bidder will be required to furnish a Performance Bond and Payment Bond, **on or before** the issuance of Notice to Proceed, each in the amount of 100% of the Contract Amount. All other required Contract Documents must be fully completed and executed by the Contractor and his/her Surety, and submitted to the Owner **on or before** the issuance of the Notice to Proceed.

- 
- 21. EXECUTION OF CONTRACT DOCUMENTS:** Upon notification of Award of Contract, the County shall furnish the Contractor the conformed copies of Contract Documents for execution by the Contractor and Contractor's surety.

Within fifteen (15) days after receipt the Contractor shall return all the documents properly executed by the Contractor and the Contractor's surety. Attached to each document shall be an original power-of-attorney for the person executing the bonds for the surety and certificates of insurance for the required insurance coverage.

After receipt of the documents executed by the Contractor and his surety with the power-of-attorney and certificates of insurance, the County shall complete the execution of the documents. Distribution of the completed documents will be made upon completion.

Should the contractor and/or surety fail to execute the documents within the time specified, the County shall have the right to proceed on the Bid Bond accompanying the bid.

If the County fails to execute the documents within the time limit specified, the Contractor shall have the right to withdraw the Contractor's bid without penalty.

Should an extension of any of the time limits stated above be required, this shall be done only by mutual agreement between both parties.

Any agreement or contract resulting from the acceptance of a bid shall be on a County approved document form. The County reserves the right to reject any agreement that does not conform to the Invitation for Bid and any County requirements for agreements and contracts. The County reserves the right to modify the agreement resulting from this bid upon the recommendation of the County Attorney.

- 22. JOINT VENTURE:** Any Bidder intending to respond to this solicitation as a joint venture must submit an executed joint venture agreement with its offer. The agreement must designate those persons or entities authorized to execute documents or otherwise bind the joint venture in all transactions with Fulton County, or accompanied by a document, binding upon the joint venture and its constituent members, making such designation. Offers from joint ventures that do not include these documents will be rejected as being non-responsive.

- 23. CONTRACTORS COMPLIANCE WITH ALL ASSURANCES AND/OR PROMISES MADE IN RESPONSE TO PROCUREMENT:** Should any Bidder submit a response to the County promising to provide a certain level of service for either the scope of work, MFBE participation, or any

---

other matter, including where such promise or assurance is greater than what is required by the procurement documents, and should this response containing the promise or assurance be accepted by the County and made a part of the Contract Documents, then this degree or level of service promised by the bidder relating to the scope of work, MFBE participation, or other matter shall be considered to be a material part of the Agreement between the bidder and the County, such that the bidder's failure to provide the agreed upon degree or level of service or participation shall be a material breach of the Agreement giving the County just cause to terminate the Agreement for cause, pursuant to the General Conditions of the Agreement.

- X. Bidders may be required to furnish evidence that they maintain permanent places of business of a type and nature compatible with their Bid proposal, and are in all respects competent and eligible vendors to fulfill the terms of the specifications. Fulton County may make such investigations as it deems necessary to determine the ability of the Bidder to perform such work, and reserves the right to reject any Bidder if evidence fails to indicate that the Bidder is qualified to carry out the obligation of the Contract and to complete the work satisfactorily.
- Y. All Bidders must comply with all Fulton County Purchasing laws, policies, and procedures, non-discrimination in contracting and procurement ordinances, and relevant state and federal laws including but not limited to compliance with EEOC hiring guidelines and requirements under the Americans with Disabilities Act. Successful Bidder must obtain all permits, licenses, and inspections as required and furnish all labor, materials, insurance, equipment, tools, supervision, and incidentals necessary to accomplish the work in these specifications.
- Z. If a successful Bidder is unable or unwilling to enter into a Contract with Fulton County subsequent to being granted an award, or who fails to perform in accordance with the Bid specifications the Bidder will be subject to damages and all other relief allowed by law.
- AA. Successful Bidders contract directly with Fulton County and are the party or parties obligated to perform. Contracts may not be assigned and any failure to perform the Contract in accordance with the specifications will constitute a breach of Contract and may result in a Bidder being found to be “non-responsive” in the future.
- BB. In case of default by the successful Bidder, Fulton County may procure the articles for services from another source and hold the successful Bidder responsible for any resulting excess cost.
- CC. The County may award any Bid in whole or in part to one or more vendors or reject all Bids and/or waive any technicalities if it is in the best interests of the County to do so. In the event that all Bids are not rejected, Bids for items including goods, materials, equipment, and

---

services will be awarded to the lowest “responsible” Bidder(s) as determined by Fulton County. Submitting the lowest Bid, as published at the Bid opening, does not constitute an award or the mutual expectation of an award of a Contract and purchase order. For purposes of this notice and the attached Bid sheets, a purchase order is a Contract to provide items including goods, materials, equipment, and services and is intended to have the full force and effect of a Contract. A breach of the terms and conditions of a purchase order constitutes a breach of Contract.

- DD. Bids for projects that are solicited pursuant to the Georgia Local Government Public Works Construction Law (O.C.G.A. § 36-91-1 et seq.) may withdrawn as follows:
- a. Competitive sealed Bids (“Bid”) may not be revoked or withdrawn until 60 days after the time set by the governmental entity for opening of Bids. At the end of this time period, the Bid will cease to be valid, unless the Bidder provides written notice to the County prior to the scheduled expiration date that the Bid will be extended for a time period specified by the County.
- EE. In the evaluation of the Bids, any award will be subject to the Bid being:
- a. Compliant to the specification – meets form, fit, and function requirements stated or implied in the specification.
  - b. Lowest cost to the County over projected useful life.
  - c. Administratively Compliant – Including all required bonds, insurance, established quality of work and general reputation, financial responsibility, relevant experience, and related criteria.
- FF. All proposals and Bids submitted to Fulton County are subject to the Georgia “Open Records Act”, Official Code of Georgia, Annotated (O.C.G.A.) §50-18-70 et seq.
- GG. All proposals and Bids submitted to Fulton County involving Utility Contracting are subject to the Georgia law governing licensing of Utility Contractors, O.C.G.A. §43-14-8.2(h). The Utility Contractor License number of the person who will perform the utility work shall be written on the face of the Bid envelope.
- HH. The apparent silence of this specification, and any supplement thereto, as to details, of the omission from it of a detailed description concerning any point, will be regarded as meaning only the best commercial practices are to prevail. Only materials of the highest quality, correct type, size, and design are to be used. All

---

interpretations of this specification will be made upon the basis of this statement, with Fulton County interpretation to prevail.

- II. It is the policy of Fulton County that the evaluation and award process for County contracts shall be free from both actual and perceived impropriety, and that contacts between potential vendors and County officials, elected officials and staff regarding pending awards of County contracts shall be prohibited.
- a. No person, firm, or business entity, however situated or composed, obtaining a copy of or responding to this solicitation, shall initiate or continue any verbal or written communication regarding this solicitation with any County officer, elected official, employee, or designated County representative, between the date of the issuance of this solicitation and the date of the County Manager's recommendation to the Board of Commissioners for award of the subject contract, except as may otherwise be specifically authorized and permitted by the terms and conditions of this solicitation.
  - b. All verbal and written communications initiated by such person, firm, or entity regarding this solicitation, if same are authorized and permitted by the terms and conditions of this solicitation, shall be directed to the Purchasing Agent.
  - c. Any violation of this prohibition of the initiation or continuation of verbal or written communications with County officers, elected officials, employees, or designated County representatives shall result in a written finding by the Purchasing Agent that the submitted Bid or proposal of the person, firm, or entity in violation is "non-responsive", and same shall not be considered for award.
- JJ. Any Bidder intending to respond to this solicitation as a Joint Venture must submit an executed Joint Venture Agreement with this Bid. This agreement must designate those persons or entities authorized to execute documents or otherwise bind the Joint Venture in all transactions with Fulton County, or are accompanied by a document, binding upon the Joint Venture and its constituent members, making such designation. Bids from Joint Ventures that do not include these documents will be rejected as being "non-responsive".
- KK. Any Bidder intending to respond to this solicitation must complete all of the Procurement Affidavit Forms provided in this solicitation. Bids that do not include these completed documents will be rejected as being "non-responsive".

## **FORM D: CERTIFICATION REGARDING DEBARMENT**

- (1) The Offeror certifies that neither it or its subcontractors is presently debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from doing business with any government agency. Any such exclusion may cause prohibition of your firm from participating in any procurement by the Fulton County Government.
- (2) If the Offeror is unable to certify to any of the statements in this certification, such Offeror or subcontractor shall attach an explanation to this bid or proposal.

### ***INSTRUCTIONS FOR CERTIFICATION***

By signing and submitting this certification, the Offeror is providing the certification set out below:

- (1) The certification in this clause is a material representation of fact upon which reliance will be placed. If it is later determined that the prospective vendor knowingly rendered a false certification, the Purchasing Agent may pursue all available remedies, including suspension and/or debarment, for withdrawal of award or termination of a contract.
- (2) The prospective Offeror shall provide immediate written notice to the Purchasing Agent if at anytime the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (3) Offeror shall be under a continuing duty to immediately inform the Purchasing Agent in writing of any changes, if as a result of such changes, the Offeror certification regarding debarment is affected.

### ***DEBARMENT ORDINANCE***

The following Section 2-322 of Fulton County Code of Laws establishes the procedure for the debarment of contractors.

#### **Authority to suspend.**

After reasonable notice to the entity involved and reasonable opportunity for that entity to be heard, the Purchasing Agent, after consultation with user department, the County Manager and the County Attorney shall have the authority to suspend an entity for cause from consideration for award of county contracts. As used in this section, the term entity means any business entity, individual, firm, contractor, subcontractor or business corporation, partnership, limited liability corporation, firm, contractor, subcontractor or business structured; provided, further, that any such entity shall also be subject to suspension under this section if any of its constituents, members, subcontractors at any tier of such entity's and the entity, or any constituent or member, knew or should have known of the commission of the act. The suspension shall be for a period not to exceed three (3) years unless cause is based on a felony conviction for an

---

offense related or associated fraudulent contracting or misappropriation of funds wherein the suspension shall not exceed seven (7) years.

**Causes for Suspension. The causes for suspension include:**

- (1) Conviction for commission of a criminal offense as an incident to obtain or attempting to obtain a public or private contract or subcontract, or in performance of such contract or subcontract;
- (2) Conviction of state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property or other offense indicating a lack of business integrity or business honesty which currently, seriously and directly affects responsibility as a county contractor.
- (3) Conviction of state or federal anti-trust statutes arising out of the solicitation and submission of bids and proposals;
- (4) Violation of contract provisions, as set forth below, of a character which is regarded by the Purchasing Agent to be so serious as to justify suspension action:
  - a. Failure to perform in accordance with the specifications within a time limit provided in a county contract;
  - b. A recent record of failure to perform or unsatisfactory performance in accordance with the terms of one or more contracts; provided, that failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor shall not be considered to be a basis for suspension;
  - c. Material representation of the composition of the ownership or workforce or business entity certified to the county as a minority business enterprise; or
  - d. Falsification of any documents.
- (5) For violation of the ethical standards set forth in Fulton County Code Chapter 9, Code of Ethics.
- (6) Knowing misrepresentation to the county, of the use which a majority owned contractor intends to make a minority business enterprise (a business entity at least 51 percent of which is owned and controlled by minority persons, as defined in Fulton County Code Chapter 6, Article B, Minority Business Enterprise Affirmative Action Program and certified as such by the County) as a subcontractor or a joint venture partner, in performing work under contract with the County.

Similarly, it is the policy of the Board that the contracting and procurement practices of Fulton County should not implicate Fulton County as either an active or passive participant in the discriminatory practices engaged in by private contractors seeking to obtain contracts with Fulton County.

**Equal Business Opportunity Plan (EBO Plan):** In addition to the proposal submission requirements, each vendor **must** submit an Equal Business Opportunity Plan (EBO Plan) with their bid/proposal. The EBO Plan is designed to enhance the utilization of a particular racial, gender or ethnic group by a bidder/proposer, contractor, or vendor or by Fulton County. The respondent **must** outline a plan of action to encourage and achieve diversity and equality in the available procurement and contracting opportunities with *this solicitation*.

The EBO Plan **must** identify and include:

1. Potential opportunities within the scope of work of *this solicitation* that will allow for participation of racial, gender or ethnic groups.
2. Efforts that will be made by the bidder/proposer to encourage and solicit minority and female business utilization in this solicitation.

Fulton County encourages joint ventures, teaming, partnering and mentor-protégé relationships with minority and female businesses in an effort to achieve contracting and procurement diversity.

**Prompt Payment:** The prime contractor **must** certify in writing and **must** document on the Exhibit G Form (Prime Contractor/Subcontractor Utilization Report) that all subcontractors, sub-consultants and suppliers have been promptly paid for work and materials, (less any retainage by the prime contractor prior to receipt of any further progress payments). In the event the prime contractor is unable to pay subcontractors, sub-consultants or suppliers until it has received a progress payment from Fulton County, the prime contractor shall pay all subcontractors, sub-consultants or suppliers funds due from said progress payments within forty-eight (48) hours of receipt of payment from Fulton County. In no event shall a subcontractor, sub-consultant or supplier be paid later than fifteen (15) days as provided for by state law.

**SPECIFICATIONS  
PRICING FORMS**

**FULTON COUNTY REGISTRATION & ELECTIONS  
2009 BALLOT CARD PRINTING**

**A. GENERAL REQUIREMENTS**

Per the intergovernmental agreement between the Georgia Secretary of State and Fulton County, entered into and approved by the Board of Commissioners on August 15, 2002, the County shall obtain Absentee and Provisional Ballots that meet the required printing specifications established by the equipment vendor in order to obtain uniform election results and to conform to warranty requirements.

The County therein acknowledges that its failure to obtain ballots that meet the required ballot specifications may hinder the effectiveness and accuracy of the Absentee and Provisional Ballot System, and make warranties and technical support difficult or impossible to enforce under the Contract. Furthermore, the County acknowledges that obtaining ballots from a printing vendor that is not qualified or capable of meeting the required ballot specifications may jeopardize the County's ability to meet its responsibility for production, support and recovery of election results for the optical scan ballots.

1. Must be an experienced vendor for printing optical scan ballot cards for use with the Accu-Vote ES-2000 Optical Scan Ballot processing unit. Ballot printing is highly technical and this specification must be met in order for ballots to be correctly tabulated. Must provide a list of counties with the Accu-Vote ES 2000 Optical Scan unit for which ballots have been printed.
2. Must be able to print ballots directly from Postscript® files provided on electronically or on diskette. This is the medium used for the transmission of ballot layout and design.
3. Devote the time and personnel resources necessary to provide ballots by delivery deadlines specified by Fulton County at the time each ballot order is placed. The Ballot Layout will be prepared by Kennesaw State University Elections Center or Fulton County. Once the print files are provided to the printer, proofs of ballots must be provided to Fulton County within forty-eight (48) hours of receipt of the print file.
4. Base all computation of time required to print ballots on calendar days, not work days, to ensure that ballots are provided on schedule.

5. Supplier must successfully demonstrate that printed ballots are able to be accurately tabulated by the Accu-Vote ES 2000 Optical Scan unit. Must ensure quality control of the printed ballots, correct placement of timing marks and accurate tabulation by the Accu-Vote ES-2000 Ballot Processing unit.
6. Print ballots at the location of their printing facility. There can be no subcontracting of job to other printers.
7. Provide security for printed ballots, print files and all documentation or items connected to the printing of the ballots to ensure the integrity and security of the ballot is maintained.
8. Include in price quote all costs associated with reprinting of ballots, printing of additional ballots, and shipping.
9. Turnaround time for receiving accurate ballots is critical, with no room for error. Supplier must be able to meet all deadlines for delivery as required.

**B. 2009 ELECTION SCHEDULE**

Special Election	June 16, 2009
Special Runoff Election	July 14, 2009
Special Election	September 15, 2009
Special Runoff Election	October 13, 2009
General/Special Election	November 3, 2009
General Runoff Election	December 1, 2009

**PRINTING SPECIFICATIONS**

1. The ballot layout will be created by Kennesaw State University Elections Center or Fulton County using the Global Election Management System (GEMS) software or other Global Election System software which generates the Postscript Level 2 language file necessary for ballot printing.
2. All ballots to be printed on 90-lb bond or index.
3. Ballots will be printed on the front and the back as necessary.
4. Ballots including ovals are to be printed in black ink. The black ink used to print the critical data elements such as the timing marks, diagnostic marks, ballot ID marks, and the ballot ovals shall have a maximum reflectance of 5% at 620 nanometer wavelength (an ink normally containing a significant amount of black carbon in its formula). **NOTE:** Reflectance measurements are referenced at 100% absolute white - not paper white.
5. The ballots shall be printed on White Paper, with Black Ovals.

## BALLOT CHARACTERISTICS

1. Ballot Size shall be 8½” x 11” or larger (will be specified at time of a scheduled election). This size is the actual size of the ballot minus the ballot stub. The ballot stub is described in No. 2, below.

### Actual dimensions and tolerances:

<b>WIDTH</b>	<i>8.500 in.+ 0.030 in. - 0.020 in.</i>
<b>LENGTH</b>	<i>11.000 in.+ 0.060 in. - 0.000 in.</i> <i>14.000 in.+ 0.060 in. - 0.000 in.</i> <i>18.000 in.+ 0.060 in. - 0.000 in.</i>
<b>THICKNESS (CALIPER)</b>	<i>0.0070 in. to 0.0090 in.± 0.0005 in.</i>

**NOTE:** Thickness dimension is in ten thousandths of an inch, **NOT** one thousandths of an inch.

2. Ballot Stubs  
The ballot stub is not part of the file structure and must be attached to the ballot by the printer. The wording for the ballot stub is per Attachment A. The ballot stub generally adds 2” to 2½” to the length of the ballot and is to be attached to the bottom of the ballot.
3. Ballot Cutting  
The cutting of the ballots must be kept within the printed “cut tolerance marks” as shown on Figure 1. These marks are 0.030 in. (approximately 1/32 in.) wide by 0.125 in. (1/8 in.) long. They specify the four (4) corners of the ballot **on both sides**. When the ballot is cut to its proper size, a small portion of these marks (approximately 0.010 in.) **MUST** still be present on all four (4) corners of the ballot’s edges on **both sides of the ballot**. Accurate front to back registration of the printed image will improve the supplier’s ability to meet the ballot cutting specifications.
4. Ballot Curl  
The curl of the ballot shall be measured from a flat reference surface. The maximum allowable curl of the ballot measured from the flat surface to the most protruding point of the curl on the ballot is **0.050 in.** This dimension applies to the ballot in both face up and face down orientations.
5. Additional Requirements: Additional Printing Specifications along with the quantity will be submitted at time of election.
6. Restricted zones and critical marks  
For each ballot, all of the restricted zones in the ballot layout must be of the same uniform color and density. The background color for the restricted zones must be selected from the PANTONE® PMS colors specified. In the restricted zones, only one of the available colors can be used per ballot. Outside of the restricted zones, any color or watermark pattern specified by Fulton County may be used.

- a. **Calibration Zones:** The calibration zones are the areas on the top and bottom of both sides of the ballot. **TEXT & WATERMARK** - No text or watermarks may be printed in any of the four (4) zones. **BACKGROUND COLOR** - The calibration zones must be of uniform color and density. **MARKS** - No black ink is to be used in any of the calibration zones. No marks, text or smudges can exist in the calibration zones except for portions of the cut tolerance marks. There are four (4) calibration zones. **Each calibration zone is defined as the following area:**

[0.260 in. from cut edge of ballot] by [full width of ballot (8½")]

- b. **Timing Mark Zones:** The timing marks are the black rectangular marks (0.191 in. width by 0.063 in. height) that run along both sides of the ballot, front and back. This equates to four (4) zones. The timing marks are spaced apart 0.250 in. from their centers. Each timing mark zone is defined as the following area:

[full length of ballot (11", 14" or 18") minus calibration zones] by [0.125 in. from center of each timing mark column to either side of timing mark column]

**TEXT & WATERMARK** - No text or watermark patterns can be printed in any of these four (4) zones. **BACKGROUND COLOR** - The timing mark zones must be uniform in the background color and density. **MARKS** - Black ink is to be used to print the timing marks. No marks, text or smudges can exist between the individual timing marks, or above and below each timing mark column.

- c. **ID Mark Zones and Diagnostic Mark Zones:** The ID marks are the black rectangular marks (0.191 in. width by 0.063 in. height) that run across the bottom of the ballot, front and back. The presence or absence of ID marks is different for each card number. The **diagnostic marks** are the black rectangular marks (0.191 in. width by 0.063 in. height) that run across the top of the ballot, front and back. The full row of diagnostic marks is always the same for every card number. This equates to four (4) zones. Each of these zones is defined as the following area:

[between timing mark zones on each face of the ballot]  
by [0.092 in. above and below the center of each row of ID marks and diagnostic marks]

**TEXT & WATERMARK** - No text or watermark patterns can be printed in any of the four (4) zones. **BACKGROUND COLOR** - The ID mark and diagnostic mark zones must be uniform in the background color and density. **MARKS** - Black ink is to be used to create the ID marks and diagnostic marks. The printed marks are to have sharp edged boundaries and are to be of uniform density. No marks, text or smudges can exist in between the individual ID marks or in the 0.060 in. margin above and below each ID mark row and diagnostic mark row.

- d. **Voting Position Zones:** The voting position ovals are the marks that outline the data area to be filled in by the voter. Although the voting positions usually follow a column, each voting position can be considered a zone defined by the following area:

[0.125 in. to either side of center of each oval] by [0.100 in. above and below center of each oval]

**TEXT & WATERMARK** - No text or watermark patterns can be printed in any of the voting position zones. **BACKGROUND COLOR** - The voting position zones must be uniform in the background color and density. **MARKS** - Any visible color (with sufficient contrast relative to the background color), including black ink, can be used to create the voting position ovals. The oval's line thickness cannot exceed 0.002 in. The printed ovals are to have sharp edged boundaries and are to be of uniform density. No marks (other than the oval line), text or smudges can exist inside each voting position zone.

7. Non-Restricted Zones

Any area(s) **NOT** listed or described as a restricted zone under #6 above, are considered a non-restricted zone. The background of these non-restricted zones can be of any color or halftone. However, Fulton County will specify the color. Any type of text, marks, and/or watermark patterns may be placed in these zones.

8. Ballot Identification Text

The precinct number, card number (if indicated), and serial numbers are to be printed on the ballot stub for the provisional and absentee ballots according to the precinct. The precinct number and card number only are to be printed on the provisional and absentee ballots. **Note:** Precinct numbers begin with AP01A and end with UC04.

Ballot identification text shall be placed below the ID marks on the front and back of the ballot and must be positioned as shown on the illustration provided. The bottom of the text must not penetrate the calibration zone and the top of the text must be no closer than 0.060 in. to the ID marks. The height of the text must be no greater than 0.100 in. (typically an 8 point font). The text must be printed in black ink, unless specified otherwise. Fulton County will confirm the color.

9. General Text

General text (e.g. headers, footers, candidates and race names) is to be printed in black ink in any font size as long as the text does not penetrate the critical zones previously described.

10. Printed Image Registration

The front to back printed image registration will be within tolerances as long as the specifications for the ballot cutting (cut tolerance marks) have been met.

11. Color Matching Tolerances

In the restricted zones, the color selection must be printed within a tolerance match  $4\Delta e$ . The supplier is to use a reflective densitometer to check the color and periodically through the production run, samples are to be checked against the standard PMS color swatch.

12. Background colors

The allowable background colors are defined by the PANTONE® Color Management System (PMS). The color selections listed are taken from PANTONE® Color Selector 1000/Uncoated. Only those colors listed may be used in the process of ballot printing and are the background colors for the various types of ballots. The number or name listed to the left of each color is the PMS color specification. The color names to the right of each PANTONE® listing is an interpreted description of the PANTONE® color swatches under fluorescent lighting (D50 illuminant). The supplier must provide samples of paper in PMS colors specified prior to the printing of ballots. Samples provided by supplier are to be identified by PMS color.

**Fulton County has approved the following colors for use in ballot printing. All other colors must be pre-approved by Fulton County:**

13. Folding and Ballot Scoring

All ballots are to be scored for folding. The scores are to be placed to accommodate the official absentee ballot envelope which measures 6" x 11 1/2". Scoring for folding ballots must occur **between** the timing marks. Scoring cannot occur anywhere on the timing marks. The scoring must align with the equal and opposite sides of the ballot. Example:

breach of the Agreement giving the County just cause to terminate the Agreement for cause, pursuant to ARTICLE 14 of the Agreement.

**ARTICLE 34. INVOICING AND PAYMENT**

Contractor shall submit monthly invoices for work performed during the previous calendar month, in a form acceptable to the County and accompanied by all support documentation requested by the County, for payment and for services that were completed during the preceding phase. The County shall review for approval of said invoices. The County shall have the right not to pay any invoice or part thereof if not properly supported, or if the costs requested or a part thereof, as determined by the County, are reasonably in excess of the actual stage of completion.

**Time of Payment:** Invoices for payment shall be submitted to County by the first (1st) calendar day of the month to facilitate processing for payment in that same month. Invoices received after the first (1st) calendar day of the month may not be paid until the last day of the following month. The County shall make payments to Contractor by U.S. mail approximately thirty (30) days after receipt of a proper invoice. Parties hereto expressly agree that the above contract term shall supersede the rates of interest, payment periods, and contract and subcontract terms provided for under the Georgia Prompt Pay Act, O.C.G.A. 13-11-1 et seq., pursuant to 13-11-7(b), and the rates of interest, payment periods, and contract and subcontract terms provided for under the Prompt Pay Act shall have no application to this Agreement; parties further agree that the County shall not be liable for any interest or penalty arising from late payments.

**Submittal of Invoices:** Contractor shall submit all invoices in original and one (1) copy to:

Optional: [A narrative of one (1) page only, listing the scope of services billed for shall accompany each invoice.]

**County's Right to Withhold Payments:** The County may withhold payments for services that involve disputed costs, involve disputed audits, or are otherwise performed in an inadequate fashion. Payments withheld by the County will be released and paid to the Contractor when the services are subsequently performed adequately and on a timely basis, the causes for disputes are reconciled or any other remedies or actions stipulated by the County are satisfied. The County shall promptly pay any undisputed items contained in such invoices.

**Payment of Sub-contractors/Suppliers:** The Contractor must certify in writing that all sub-contractors of the Contractor and suppliers have been promptly paid for work and materials and previous progress payments received. In the event the prime Contractor is unable to pay sub-contractors or suppliers until it has received a progress payment from Fulton County, the prime Contractor shall pay all sub-contractors or supplier funds due from said progress payments within forty-eight (48) hours of receipt of payment from Fulton County and in no event later than fifteen days as provided for by State Law.

**Acceptance of Payments by Contractor; Release.** The acceptance by the Contractor of any payment for services under this Agreement will, in each instance, operate as, and be a release to the County from, all claim and liability to the Contractor for work performed or furnished for or relating to the service for which payment was accepted, unless the Contractor within five (5) days of its receipt of a payment, advises the County in writing of a specific claim it contends is not released by that payment.

#### ARTICLE 35. TAXES

The Contractor shall pay all sales, retail, occupational, service, excise, old age benefit and unemployment compensation taxes, consumer, use and other similar taxes, as well as any other taxes or duties on the materials, equipment, and labor for the work provided by the Contractor which are legally enacted by any municipal, county, state or federal authority, department or agency at the time bids are received, whether or not yet effective. The Contractor shall maintain records pertaining to such taxes as well as payment thereof and shall make the same available to the County at all reasonable times for inspection and copying. The Contractor shall apply for any and all tax exemptions which may be applicable and shall timely request from the County such documents and information as may be necessary to obtain such tax exemptions. The County shall have no liability to the Contractor for payment of any tax from which it is exempt.

#### ARTICLE 36. PERMITS, LICENSES AND BONDS

All permits and licenses necessary for the work shall be secured and paid for by the Contractor. If any permit, license or certificate expires or is revoked, terminated, or suspended as a result of any action on the part of the Contractor, the Contractor shall not be entitled to additional compensation or time.

#### ARTICLE 37. NON-APPROPRIATION

This Agreement states the total obligation of the County to the Contractor for the calendar year of execution. Notwithstanding anything contained in this Agreement, the obligation of the County to make payments provided under this Agreement shall be subject to annual appropriations of funds thereof by the governing body of the County and such obligation shall not constitute a pledge of the full faith and credit of the County within the meaning of any constitutional debt limitation. The Director of Finance shall

deliver written notice to the Contractor in the event the County does not intend to budget funds for the succeeding Contract year.

Notwithstanding anything contained in this Agreement, if sufficient funds have not been appropriated to support continuation of this Agreement for an additional calendar year or an additional term of the Agreement, this Agreement shall terminate absolutely and without further obligation on the part of the County at the close of the calendar year of its execution and at the close of each succeeding calendar year of which it may be renewed, unless a shorter termination period is provided or the County suspends performance pending the appropriation of funds.

ARTICLE 38. **WAGE CLAUSE**

Contractor shall agree that in the performance of this Agreement the Contractor will comply with all lawful agreements, if any, which the Contractor had made with any association, union, or other entity, with respect to wages, salaries, and working conditions, so as not to cause inconvenience, picketing, or work stoppage.

**IN WITNESS THEREOF**, the Parties hereto have caused this Contract to be executed by their duly authorized representatives as attested and witnessed and their corporate seals to be hereunto affixed as of the day and year date first above written.
