1. What should the base bid amount be based upon? Service? Hardware?

There is no “base bid” amount for this contract. The pricing forms ask for labor pricing only and the discount off a manufacturer’s price list for parts.

2. How do we determine what hardware will be needed?

Hardware for purposes of this bid consists of the typical lockbodies, parts, keys, etc. that a locksmith repairing a lock, rekeying a lock or replacing a lock would use.

- 3, How do we schedule a site visit?

The requested locksmith services the successful bidder will provide can apply to over 400 facilities Fulton County owns or leases. The General Services Department can host a visit to the Fulton County Government Center Complex (141 Pryor Street SW) and to the Judicial Center Complex across the street so interested bidders can view “typical” locks found throughout the county’s facilities along with specialty locks located primary in the prisoner detention areas in the Judicial Complex. To arrange a site visit, contact the Purchasing Department.
