Addendum No. 1

This Addendum forms a part of the contract documents and **modifies** the original RFP documents as noted below:

**QUESTION:** Is a Bid Bond Required?

**RESPONSE:** *No*

**QUESTION:** We went t EMC to get a quote and the number that you gave us **MFG # CUS-VMAX-UJCM-01** does not exist according EMC Direct. In order to quote you on this bid, we're going to need the exact configuration of just what you want us to bid on when you get a chance.

**RESPONSE:** The number is correct. It is a custom configuration to fit within our existing environment. The VAR was trying to do a generic bid from the EMC Direct channel. They have to contact our account team for pricing on this configuration. We occasionally get this question, but not often. Nearly all vendors know to go to the account team for pricing.
