This Addendum forms a part of the contract documents and **modifies** the original RFQ documents as noted below:

Question: *What is the number of hours in a shift and how many shifts will there be in a work day?*

Answer: *Fulton County prefer that the vendor determine the total number of staff hours needed to complete the work. The venue will open to the public at 5:00pm and close at midnight.*

Also vendors should allow for the staff to attend and receive public safety/emergency preparedness training which is approximately four (4) hours. The training will be delivered by Fulton County to the awarded vendor's staff.

The quote closing has been changed from May 3, 2012 to May 4, 2012 at 2:00 PM.
