Addendum No. 1

Page Two

This Addendum forms a part of the contract documents and modifies the original quote documents as noted below:

- **The RFQ due date and time had not changed from August 26, 2011 at 2:00P.M. legal local prevailing time**
- **Response to questions submitted for clarification are listed below:**

Questions: In 2.id it requires screen printing on tee shirts but does not describe number of colors in design, front or back or both print. This is crucial to pricing.

Response: The t-shirts will have the YLA Shield Screen printed on the front. The colors included in the shield are yellow, maroon, navy, and white.

Questions: 1: Would you accept a twill (cotton/poly) blend for pants? This product holds color and releases stains with little or no ironing.

Q 2: Would you accept blend for the polos? This product also hold Color and releases stains with little or no ironing.

Response: 1. The cotton blend for the pants will be fine as well. Is there a way I can see the cotton blend in comparison to the regular 100% cotton?

R 2. YLA Boys will be able to use the cotton blend for the polo shirts.

Questions: Will this be a one time buy....if not how will this be ordered?
How many colors are in the artwork/design?

Response: On the Polo shirts the YLA Shield is embroidered with yellow, maroon, navy blue and white.

The t-shirts the shield has the same colors and is screen printed.
