ADDENDUM NO. 3

GASB 43 & 45 Actuarial Services – 09RFP70477C-MT Fulton County, Georgia

December 14, 2009

Dear Vendors:

This addendum is in reference to the RFP – 09RFP70477C-MT
GASB 43 & 45 Actuarial Services

1. For the health, dental, and vision benefit plan options offered to actives and/or retirees, which plan options are self-insured? If so, please provide the name of any actuary which provides services with respect to the self-insured plan?

Response: See question No. 8 on Addendum No. 2

2. For fully insured benefit plan options, are retirees and their dependents covered under the same insurance (or HMO) contracts as are actives and their dependents? Does the insurance company (or HMO) charge the same premium amount for retirees as they charge for actives?

Response: Our health plan, including HMO, is self funded. Our consultant determines that active and retiree premiums are the same.

3. In order to perform the turnover study requested, we need certain historical data. Do you have readily available and accurate census data (dates of birth, hire and termination) on all employees in the employee group being studied – all who ever worked for the County in covered positions at any time during the last 10 years?

Response: Please refer to the Exhibits of Addendum No. 1. No further information is available.

4. For the actuarial valuation work, will the County be able to provide the required census and premium/claims data within, say, one month of receiving our complete data request?

Response: Yes

5. Can you please provide copies of the following reports?

a. The last fully compliant annual valuation report.

Response: Please refer to the Exhibits in Addendum No. 1.

b. All actuarial communications that provided information used for your 2007 CAFR, if not covered in item 5a, above.

Response: The only information that is available is provided in the Exhibits in Addendum No. 1.
