Title

1. The Fit Pick Micro Market that we have in mind requires an investment on our part of approximately \$50,000 to provide a first class operation. In order to amortize this kind of investment, can the term of the contract be altered to extend the option years from two one-year options to five-one year options?

Response: Fulton County Government is willing to change the terms of the solicitation because this is a revenue-generating contract; the new terms shall reflect a five (5) year term with one (1), two (2) year renewal term.
