DEFINITIONS

Bidder is one who submits a bid as a prime Contractor with the CM for the work described in the proposed Contract Documents.

Furniture Subcontractor is the vendor tasked with furniture, fixture and equipment supply, delivery and installation services.

FF&E Consultant/Interior Designer is the Consultant hired by the County to assist the Construction Manager with FF&E scheduling, ordering, delivery, and inspections. All furniture delivery schedules are to be coordinated through and accepted by the Construction Manager and Interior Designer.

CM is Construction Manager

Owner is Fulton County Government

Sub-Contractor is one who submits a bid to a Bidder for materials and/or labor for a portion of the work.

GENERAL

1. Bids will be accepted by Fulton County Department of Purchasing on behalf of the Construction Manager at 130 Peachtree Street, S.W., Suite 1168, Atlanta, GA 30303 until 2:00 p.m. Local Time, on the date listed in the Notice to Bidders. The contract for Work shall be between the Subcontractor and Construction Manager. The Scope of Work is described in the Form of Agreement between Construction Manager and Subcontractor.

2. A Pre-Bid meeting will be held at 130 Peachtree Street, S.W. Room #1160 at 2:00PM on February 6th 2014. Attendance is not mandatory in order to submit a bid, but this will be an opportunity to discuss the project and voice any concerns or questions. Any comments or questions that are generated at this meeting will be recorded and reviewed. Responses will be issued as an addendum to the Bid Package.

3. The Construction Manager reserves the right to reject any or all bids, accept bids in any order or combination, make modifications to the work after bidding, and waive any informalities or irregularities in bids if it is deemed in the Owner's best interest to do so. All bids are subject to the review and approval by the Owner, or their designated representative.

4. Conflict of Interest: All bidders must disclose - with their bid - the name of any officer, director, or agent who is also an employee of the Owner. Further, all bidders must disclose the name of any Owner employee who owns, directly or indirectly, an interest of ten percent (10%) or more in the bidder's firm or any of its branches.

5. The Construction Manager reserves the right to reject any and all bids received and to waive any and all informalities or irregularities in regard thereto.

6. The Project Architect is Leo A Daly.

7. The Owner is Fulton County, a political subdivision of the State of Georgia.

BIDS

2.1 All bids must be submitted on the Proposal Form supplied by Construction Manager, and shall be subject to all requirements of the Contract Documents. All bids must be regular in every respect; all applicable spaces shall be filled in, and no interlineations, exclusions or special conditions shall be made or included in the Form by the bidder. Conditional bids will not be accepted, nor will oral, or telephone bids. Erasures or other changes in the bids must be explained or noted over the signature of the bidder.

2.2 Each bidder, by making this bid, represents that:
a. Bidder has read and understands the Bidding Documents and this bid is made in accordance.

b. Bidder has visited the site and has familiarized themselves with the conditions under which the Work is to be performed.

c. This bid is based upon the materials, systems and equipment described or named in the Bidding Documents without exception.

2.3 The bid form (Index Summary Bid Sheet) is grouped by item types (i.e. Group 200, Seating) and is comprised of several groups. Bidders may submit bids for all groups or as few groups as they are capable of providing.

2.3 Mailed or Hand-delivered Proposals shall be sealed and plainly marked, "Bid", with name of project, bid package number and description, name and address of bidder, time and date due. If the bid is sent by mail, the sealed envelope shall be enclosed in a separate mailing envelope with the notation "FF&E BID PACKAGE ENCLOSED" on the face thereof, and addressed to the Construction Manager at the address. To be considered, each envelope shall contain an original of the following:

A. Proposal Form (completed and executed).
B. Bid Proposal Affidavit.

2.4 Each copy of the bid proposal shall include the legal name of bidder and a statement whether bidder is a partnership, a joint venture, a corporation or any other legal entity, and each copy shall be signed by the person or persons legally authorized to bind the bidder to a contract. A bid by a corporation shall give the State of Incorporation, and shall have the corporation's seal applied to it.

MODIFICATION OR WITHDRAWAL OF BIDS

3.1 Bids may be withdrawn or modified on written or telegraphic request dispatched by the bidder and received by Fulton County Department of Purchasing on behalf of the Construction Manager prior to the time for receipt of bids, provided that written confirmation of any telegraphic withdrawal under the signature of the bidder shall be placed in the mail with the postmark prior to the time set for receipt of bids. It shall be worded so as not to reveal the amount of the original bids.

3.2 Negligence on the part of the bidder in preparing his bid confers no right for the withdrawal of the bid after it has been opened.

PREQUALIFICATIONS OF BIDDERS

4.1 The agreement will only be entered into with responsible subcontractors found to be satisfactory to the Owner and the Construction Manager, qualified by experience and in a financial position to do the work specified. The bidder must, upon request, be able to prove his financial ability to carry on the work until such time as he received his first payment, and to finance the work between payments until the contract is completed and accepted.

4.2 More than one bid from an individual, firm, partnership, corporation or association under the same or different names will not be considered. If more than one such bid is received, only the lowest conforming bid will be considered.

BIDDING DOCUMENTS

5.1 Contract Documents are as enumerated in the Subcontract Agreement. Each bidder shall promptly review all Contract Documents to assure completeness. If, for any reason, an item is missing from the transmitted list, he shall so notify the Construction Manager in writing, who will assist in his receiving missing item(s). Missing items shall not constitute grounds for modification of the contract.

5.2 Any addenda issued during the bidding period will be posted. Email notification of posting will be issued ONLY to the bidders and suppliers to whom access to Contract Documents have been provided.

5.3 No partial sets of drawings and specifications will be issued.

INTERPRETATIONS AND ADDENDA

6.1 Bidders shall promptly notify the Construction Manager of any ambiguity, inconsistency or error which they may discover upon examination of the Contract Documents for each portion of the Project or the site and local conditions. No oral interpretation will be made to any bidder as to the meaning of the Contract Document or any part thereof. Every request for such an interpretation shall be made in writing to the Construction Manager.

6.2 Every interpretation made to a bidder will be in the form of an Addendum to the Contract Documents prepared by the Construction Manager with assistance from the Architect (when required) and, when issued, will be on file in all of the offices to which the Contract Documents have been issued. It shall be the bidder's responsibility to obtain all Addenda issued. All such Addenda shall be listed on the Bid Form in the space provided and shall become part of the contract. Each bidder shall be bound by such Addenda, whether or not received by the bidder. Only a written or telegraphic interpretation or correction by Addendum, or Supplement issued by Construction Manager will be binding.

POST BID INFORMATION

7.1 Unless waived by the Owner, the successful bidder for each portion of the Project shall, within ten (10) days of notification of selection, submit the following information to the Construction Manager:

A. Percentage of work to be performed by bidder with his own forces.

B. Proprietary names of the suppliers or principal items, or systems of material and equipment proposed for the work.

C. List of all sub-subcontractors who will perform work for the bidder and the percentage of work to be performed by each sub-trade contractor.

D. Insurance Certificates.

E. Executed Subcontract. (Within seven (7) days)

F. A complete material cost breakdown for Owner's use.

G. Submittal and Schedule Outline.

H. Schedule of Values in a form acceptable to Construction Manager.

7.2 Prior to the award of contract, Construction Manager will notify the bidder if he, or the Owner, after due investigation, has reasonable and substantial objection to any person or organization submitted. If such an objection is expressed and if the Construction Manager or the Owner refuses in writing to accept such person, or organization, the bidder may submit an acceptable substitute sub-subcontractor with an increase or decrease in his bid price to cover the difference in cost occasioned by such substitution. The Owner or Construction Manager may, at his discretion, accept the revised bid price or he may disqualify the bidder.

7.3 Sub-subcontractors and other persons and organizations proposed by the bidder and accepted by the Construction Manager and the Owner, must be used on the work for which they were proposed and accepted, and shall not be changed except with the written approval of the Construction Manager and the Owner.

7.4 The Owner, and/or the Construction Manager, reserves the right to remove, or cause to be removed from the Project, any employee of the subcontractor or their sub-subcontractors, whenever it deems, in its sole discretion, such action to be in the best interest of the Project. Such removal of undesirable personnel will in no way change or reduce the obligations of the subcontractor.

FORM OF CONTRACT

8.1 The form of Agreement between subcontractor and the Construction Manager is enclosed in the Bid Package Documents; copies of contract attachments are available upon request. **The bidder shall take no exception to the terms and conditions of this Agreement.**

8.2 Upon execution of the Subcontract Agreement by Construction Manager and successful bidder, the bidder will hereinafter be called the subcontractor and the Construction Manager may also be referenced as the Contractor.

AWARD OF CONTRACTS

9.1 It is intended that separate contracts shall be awarded for each bid package and that the work start as soon after award as possible; but bids may be held for a period not to exceed (90) days from the bid opening dates, and no bidder may withdraw his bid during this period.

9.2 Award of contracts for each portion of the Project will be made to the best and most responsive qualified bidder.

9.3 Multiple awards will be issued for this work, with the awards being made to the lowest responsible bidder(s). The total number of subcontracts to be awarded is not known and not all bidders may receive a subcontract under this work. If awarded a subcontract, there is no guarantee as to the amount of work that may be assigned to that subcontractor.

SUBSTITUTIONS

10.1 The Furniture, Fixtures and Equipment specifications are based on a Basis of Design and two alternates. No SUBSTITUTION will be allowed.

10.2 Materials, products and equipment described or named in the Bid Documents establish a standard or required function, dimension, appearance and quality to be met. Each bid shall be based on the basis of design or the two alternates.

10.3 Requests for substitutions /approved equal material or equipment will NOT be entertained.

SCHEDULES

11.1 The Project will be scheduled by the Critical Path Method by the Construction Manager. A detailed CPM Schedule is included in this Bid Package and is part of the contract Documents. The successful subcontractor will be required to furnish, within ten (10) days after notification of selection, information necessary to bring about a construction and purchasing schedule allowing for completion of the Project within the time allowed on the Master Project CPM Schedule. Information shall be in a form acceptable to the Construction Manager. The Construction Manager will require the subcontractor to review the Construction Manager's CPM Schedule, at intervals required by the progress of the Work.

11.2 The progress of the subcontractor is critical to the progress of the Project. Therefore, the schedule shown in the contract Scope of Work must be met. Failure to maintain this schedule will cause the subcontractor to be subject to assessment of milestone damages.

INSURANCE

12.1 The successful bidder shall provide General Liability Insurance, Automobile Liability Insurance, and Worker's Compensation Insurance as outlined in Attachment C. Certificates of Insurance shall be on a form acceptable to the Construction Manager and shall provide an unconditional thirty (30) days written notice of cancellation. Subcontractors may be enrolled in an Owner-Controlled Insurance Program (OCIP) for General Liability Insurance at a later date; program documentation is available upon request.

RIGHT TO WORK

14.1 Consideration and acceptance of contracts shall be without regard as to whether or not the subcontractors or its employees are members of a labor union or labor organization. It shall not be a condition of making any bid or proposal, or for performance of work, that any person be a member of a labor union or labor organization.

MATERIAL, SUPPLIES & EQUIPMENT - OWNER'S SALES TAX EXEMPTIONS

15.1 **Bidder shall include Georgia State and other applicable sales taxes** for all material, supplies and equipment included in the Work.

15.2 If the Owner is tax exempt and exercises his right to purchase directly various construction materials, supplies and equipment that may be a part of this contract, then the Construction Manager will act as the Purchasing Agent for the Owner. The Owner will, via his purchase orders, purchase the materials, and each subcontractor shall assist the Construction Manager in the preparation of purchase orders. The materials shall be purchased from the vendors/suppliers selected by the subcontractor, for the prices negotiated by the subcontractor.

15.3 The contract amount shall be reduced by the net, undiscounted amount of the purchase orders, plus all sales taxes. Issuance of the purchase orders by the Owner shall not relieve the subcontractor of any of his responsibilities regarding material purchases, or installation, with the exception of the payments for the materials so purchased. Subcontractor shall remain fully responsible for coordination, correct quantities ordered, submittals, protection, storage, scheduling, shipping, security, expediting, receiving, installation, cleaning and all applicable warranties.

OTHER OWNER-FURNISHED EQUIPMENT

16.1 Certain items scheduled in the Contract Documents are to be furnished directly by the Owner, to the project site unless otherwise indicated, and are to be received and installed by the subcontractor.

16.2 Within fifteen (15) calendar days after receipt of notification of selection for the award of a contract for the Work, the subcontractor shall submit to the Construction Manager, a schedule, giving desired dates for delivery of Owner-furnished items. Approved dates of delivery shall be confirmed to the Construction Manager thirty (30) days prior to delivery, by subcontractor. Subcontractor shall accept delivery on the established dates or be responsible for any damage resulting from his failure to take delivery of the shipment on established dates. Promptly upon delivery, the subcontractor, jointly with the Construction Manager, shall inspect the materials or equipment for possible shortage or damage in transit. If shortage or damage is found, subcontractor shall follow the instructions of the bill of lading for reporting to the carrier. Subcontractor shall submit a complete receiving report acceptable to the Construction Manager.

16.3 Subcontractor shall receive, store, protect, secure and unload the items, sign for, provide additional transportation required, uncrate, assemble, locate in place and install, or connect ready for operation and use and clean for final inspection. For details of construction and installation of each item, see drawings and standard details. Installation or connection shall be in accordance with specifications for such work, including fitting to adjacent work and any additional labor and material required. All materials/equipment received shall be properly and legibly listed and signed for on Owner's "Receiving Ticket" form, as well as Shipper's packing slip. The receiving person's name and company must be legibly shown on all such documents.

SEQUENCE OF CONSTRUCTION

The sequence of construction shall be as outlined in the CPM Schedule.

APPRENTICE LABOR REQUIREMENTS

This project shall be subject to apprentice labor requirements as enumerated in Georgia Statutes. The Subcontractor is hereby instructed to become familiar with the conditions contained in the aforementioned documents and to abide by them under penalty of law.

DISQUALIFICATION OF BIDDERS

Any or all Proposals may be rejected if there is reason to believe that collusion exists among the Bidders. Participants in such collusion will not be considered in future Proposals for the same Work. Proposals in which prices are obviously unbalanced may be rejected by the Owner.
Falsification of any entry made on a Bidder's Prequalification Statement or Proposal will be deemed a material irregularity and will be grounds for rejection.

DRUG FREE WORKPLACE CERTIFICATION

Bidders shall provide evidence for certification of a drug free workplace. Preference may be given to businesses with drug-free workplace programs whenever two or more bids which are equal with respect to price, quality, service and location are received for the procurement of a Subcontract for this project.

BIDDER PREFERENCES

If all other factors are equal, preference will be given to a Georgia resident Bidder over an out-of-state resident. If all Bidders are Georgia residents, a Fulton County Bidder will receive preference; if there is no Fulton County Bidder; preference will be given to the Bidder closest to Fulton County. If all Bidders reside out-of-state or all reside within Fulton County, preference shall be given to the Bidder who certifies it has implemented a drug-free workplace program. In order to receive preference, a signed certification of compliance must be submitted with the bid response. If all bids or no bids include a certificate of compliance, the tie will be broken by a coin flip in the presence of witnesses.

GEORGIA PRODUCTS AND LABOR

In accordance with applicable Georgia Statutes, on public building Contracts, Georgia products and labor shall be used wherever price and quality are equal, subject to considerations set forth in the Statutes relating to comparisons of quality and fitness or materials and equipment as well as qualifications, character, and responsibility of contractors and builders proposed for employment.

PROJECT REQUIREMENTS AND GOALS

There are no minimum requirements or stated goals for Minority, Women and Disadvantaged Business Enterprise (MWDBE) participation for this project, although Bidders, to the extent consistent with quality, price, risk, and other lawful and relevant considerations, are encouraged to include and/or provide opportunities for MWDBE participation and shall exercise good faith efforts to maximize MWDBE participation for the Work of this Bid Package. MWDBE participation will not be used by the Construction Manager or Owner as a basis of award.

WORKER SCREENING

There will be a Worker Screening program in place for this jobsite which all subcontractors, subsubcontractors, suppliers, consultants, and other firms supplying materials, equipment, or labor, or performing services or work on the project will be required to adhere to. This includes participation in the U.S. Department of Homeland Security E-Verify Program

FURNITURE SUBCONTRACTOR'S USE OF PREMISES

Furniture Subcontractor shall confine his operations in the buildings to the areas indicated on the drawings. A staging area will be coordinated with the CM/FF&E Consultant and agreed upon prior to delivery.

All deliveries shall be made during regular business hours unless prior approval is granted by the Interior Designer. The Furniture Subcontractor or his representative shall be at the job site to accept all deliveries. No DROP-SHIPPING shall be allowed. Under no circumstances will the CM be obligated to receive deliveries. The Furniture Subcontractor shall provide, **CM/FF&E Consultant approved** protective runways on all finished floors throughout the building in areas where furniture is being transported or installed. All furniture will be initially delivered to the Furniture Subcontractor's warehouse.

The Furniture Subcontractor shall provide warehousing at no additional cost to the CM for Sixty (60) days beyond the anticipated installation date. The Construction Manager shall report to the CM/FF&E Consultant any delays which he has observed in the substantial completion of the building construction that will adversely affect delivery and installation schedules of furniture and equipment, and which will necessitate off-site storage arrangements and costs for storage, insurance and double-handling of furniture and equipment. These costs will be the responsibility of the CM and/or the Building Contractor, under the Liquidated Damages clause of the Construction Contract, unless other arrangements are previously made and agreed upon jointly by the CM and the Furnishings Contractor.

FURNITURE SUBCONTRACTOR COORDINATION

JOB LAYOUT

Verify location, lines and dimensions and report observed errors or inconsistencies to Interior Designer before beginning work.

Layout work lines for furnishings.

See that work of all trades goes into place in its correct relation to finish work.

INSPECTION OF JOB CONDITIONS

Construction Manager shall see that joint inspections are made involving all interested parties in relation to accepting the facility as being ready for furnishings and equipment installation.

Portions of these inspections will be observed by the CM/FF&E Consultant and such inspections shall be scheduled to coincide with the FF&E Consultant's routine visits to the site.

After installation of furnishings and equipment is commenced, the FF&E Consultant will confine his observations to the completed and installed furniture only; it shall be the responsibility of the Construction Manager to complete inspection procedures of all areas involved.

Acceptance of the Work in whole, or in part, by the FF&E Consultant in no way relieves the Contractor of his obligation to provide various stages of work as well as finished work complying with Contract Documents.

RECORD DRAWINGS

Before final inspection, turn over to FF&E Consultant a set of marked-up drawings showing furnishings and equipment locations as they are installed - one (1) set of reproducible and three (3) sets of prints.

SCHEDULING AND SEQUENCING

Construction Manager will hold a "Scheduling" conference at which all major subcontractors will be represented, together with the Furniture Subcontractor(s) and the FF&E Consultant on a date to be determined by the CM.

At this initial conference, the CM will:

1. Define his use of the property and buildings;
2. Define restrictions on Furniture Subcontractor's use of property, for storage sheds, parking and administration of work.

At this initial conference, Furniture Subcontractor shall distribute a tentative Network Schedule prepared in accordance with provisions included herein.

Scheduling Conferences shall be held and shall develop expediting procedures to keep Project on its planned schedule.

The Furniture Subcontractor shall be responsible for scheduling all conferences and shall see that representatives of all interested parties are notified at least 3 normal working days in advance.

The Furniture Subcontractor shall preside at conferences and see that minutes are taken, and that they include all significant proceedings. All meeting minutes shall be approved by the Owner prior to being adopted as record. He shall distribute copies to all interested parties, within 5 days of date of conference, including 4 copies to the FF&E Consultant.

SCHEDULING

Installation is expected to take place as follows: The work to be performed under this contract shall be commenced ten (10) days from receipt of CM's written instruction to proceed.

Delivery and installation of furniture to be provided in this contract shall coincide with the completion of the general construction contract. Completion of the general construction shall occur after all final inspections are approved and the issuance of an occupancy permit by the city.

All furniture must be delivered, installed in place, and clean within a period of thirty (30) calendar days immediately following the general construction contract completion.

MAINTENANCE MANUAL AND INSTRUCTIONS

The Furniture Subcontractor shall leave all items of furnishings and equipment in good operating condition, and shall give written instructions regarding the care and operation of each item of furniture or equipment requiring such instruction. Such written maintenance shall be submitted to the FF&E Consultant in triplicate; each set in a three-ring, vinyl-covered binder.

Where the above-described manuals and data are called for under separate sections, they shall be included in the manual described in this Article.

The CM's delegated representative shall be given instructions, by trained personnel, in care, use, cleaning, and maintenance and/or operation procedures for each item. This shall be done in accordance with, and addition to, the above manual.

STANDARDS

Furnish, if requested, certifications from manufacturers to the effect that products provided for this work comply with their referenced requirements specified, including installation criteria. All items shall be standard items as specified in the manufacturers' specifications and premium grade. No modifications to construction of furnishings that would shorten the life or quality of the item specified will be allowed.

The Furniture Subcontractor shall be responsible for all coordination of the delivery of furniture to be provided as required, to coincide with the completion of the general construction contract. No furniture shall be delivered and stored on the site prior to its installation unless previous arrangements have been made with the CM. The Furniture Subcontractor shall be responsible for any and all storage of furniture prior to delivery and installation.

CLEANING

Furniture Subcontractor at all times shall keep premises free from accumulation of waste materials or rubbish caused by him or his subcontractors' operations.

At completion of the Work, he shall remove waste materials and rubbish from and about the Project as well as his tools, installation equipment, machinery and surplus materials.

OWNER'S RIGHT TO CLEAN

If Contractor fails to clean up as herein specified, the CM may do so and cost thereof shall be charged to the Furniture Subcontractor.

If disputes arise between separate prime contractors as to their responsibilities for cleaning up as specified herein, the CM may clean up and charge the cost thereof to the several contractors as the Designer will determine to be just.

COLLECTION OF INSTALLATION RUBBISH

The premises and the areas in which the Work is performed shall be maintained in a reasonably neat and orderly condition by the Contractor and kept free from the work areas at the end of each working day. If the premises are not maintained properly, the CM may have any accumulations of waste materials or trash removed and charged such costs to the Contractor as the Designer shall determine to be appropriate.

Floors shall be kept "clean" during the course of the Work. Furniture Subcontractor shall remove dust, dirt, stains and finger marks from all finished wood, metal, marble or glass surfaces, pertaining to his portion of the Work before final acceptance of the Work by the CM.

Upon completion of the Work, the Contractor shall remove from the premises all of his installation equipment and surplus materials and rubbish resulting from the Work.

CLEANING MATERIALS AND METHODS

In accordance with manufacturer's instructions for the material cleaned, use cleaning materials only on surfaces recommended by cleaning material manufacturer. Cleaning shall result in a uniform-appearing finish surface, clean of foreign matter and undamaged as to its factory or job finished color, sheen, texture and general appearance. Where cleaning operations begin or stop shall not be evident in the finished Work. Do not damage or mar adjacent work with cleaning materials or procedures.

QUALITY

All items to be furnished under this Section must be for the items specified and/or detailed on the applicable drawings, or approved through prior addenda as equal.

It is the intent of the General Specifications for Furnishings to strive for a quality level which is to be maintained by each product or item throughout the project

MOVE-IN PLANS

Furniture Subcontractor shall be responsible for preparing move-in plans including applied numbering systems as necessary (subject to CM's approval.)

ITEMS TO BE INCLUDED

Only those items which are specified on the Index Summary Bid Sheet document are to be in included. Furniture Subcontractor must bid the quantities noted on the Bid Form/Index Summary Bid Sheets.

All components necessary for the complete and total function, operation, and aesthetic aspects of a product shall be provided, whether stated of not.

COLORS OF FACTORY-FINISHED EQUIPMENT AND FABRIC

Colors of factory-finished equipment, when specified to be selected by the FF&E Consultant may be other than the manufacturer's standard colors; in such cases, special colors shall be provided as required. Submit samples of all colors, standard or special, for the FF&E Consultant's approval and coordination. Submit cuttings of all fabrics for verification before applying special finishes or treatments to fabrics, i.e. Scotchgard, Teflon, fire retardant finishes, etc.

GUARANTEE

The Furniture Subcontractor shall guarantee the entire installation against any defect in material or workmanship for a period of five years, dating from time of acceptance of work and receipt of final payment. Contractor shall replace any work proven to be defective, immediately upon notification, in writing, at any time within the period covered by this guarantee, without expense to the CM.

I. PROCEDURAL ITEMS

A. *Insurance* – All responding subcontractors must be able to meet or exceed the requirements listed below:

- General Liability: $1,000,000 (Each Occurance); $2,000,000 (Aggregate)
  $2,000,000 (Products/Completed Operations Aggregate)
- Excess/Umbrella Liability: $1,000,000 (Each Occurance & Aggregate)
- Worker's Compensation: $1,000,000
- Automobile Liability: $1,000,000

In addition, all participating subcontractors must itemize the costs of each line of insurance with respect to their scope of work and total bid. Documentation of this program is available upon request.

B. *First Source Jobs Program* – Fulton County Department of Purchasing and Contract Compliance in partnership with the Fulton County Office of Workforce Development has initiated the 'First Source Jobs Program'. The First Source Jobs Program has been created to ensure that projects, such as the Wolf Creek Library, generate jobs and wages for the local residents of Fulton County. This program enables subcontractors to fortify their staffing needs with qualified employees for a range of positions.

C. *E-Verify* – All contractors must be a full participant in the E-Verify Program established by the United States Department of Homeland Security.

D. *Construction Standards & Practices* – Responding subcontractors will be held to the highest standards throughout the construction process. Refer to the specifications for the required certifications for specific trades.

Note: This is a **LEED** Silver project. Review specifications for impact to specific trades. Certain trades will need to document their respective products/materials/procedures as part of their scope of work.

E. *Payment & Performance Bonds* – the cost of performance bonds and labor and material payment bonds shall not be included in the base bid. The General Contractor may require these bonds before the award of any work, in a form approved by the General. The inability of the bidder to provide the required bonds may disqualify the bid package submission.

F. *Subcontractor Agreement* – all bidding subcontractors should review and be familiar with the approved subcontractor agreement. Copies are available for review - please contact Hogan Construction Group – Eric Hendrickson for template subcontract agreement. Acceptances of all terms are required to be awarded work.

II. GENERAL ITEMS – ALL TRADES

A. *Completeness of Bidding* – All Bidders shall include in their bids all costs for equipment, tools, material, labor, permitting, engineering, supervision and all other associated services required to complete their scope of work described in the construction documents, unless specifically noted otherwise.

B. *Responsibility for Project Documents* – In addition to the review of trade-specific drawings and specifications, ***every*** subcontractor is responsible for the review of ***all*** drawings and specifications for scope items that are related to their trade.

C. *Trade Permits* – If applicable, all trade permits are to be provided by the subcontractor.

D. *Schedule* – Subcontractors must maintain manpower, material and equipment as needed to maintain the General Contractors' Master Schedule.

E. *Supervision/Project Manager* - Subcontractors shall provide ***full*** time, experienced on-site Supervision for the entire duration of the project. In addition, an experienced Project Manager must be assigned specifically to this project and shall be available for on-site meetings. The Project Manager must be available to administer the contract agreements, maintain contract documents, monitor project costs, etc. as required.

F. *Submittals & Shop Drawings* – All subcontractors must prepare all required submittals in a timely manner.

G. *Coordination* – Subcontractors shall cooperate with other contractors working in the vicinity of each other while performing construction activity for the project. Subcontractors shall endeavor to resolve conflicts in their respective work without disruption to other trades and construction schedule.

H. *General Safety* - Strict compliance of all regulations by subcontractors on the jobsite is imperative. Subcontractors will be responsible for all of their machinery, tools and equipment and ensure that it meet the current OSHA Guidelines. In addition, all employees of the subcontractor must practice 'Safety First' in their daily activities.

I. *Project Cleanliness* - Clean up of the construction site will be performed on a continuous, daily basis. Each subcontractor will be required by their subcontract agreement to perform daily clean up of all debris created during the construction process. Dumpsters will be provided for all trades by the General Contractor.

III. GENERAL SCOPE – ALL TRADES

A. This Bid Package includes the furnishing and installation of furniture so that it is ready for use, and in normal operating order, before acceptance by the CM. Bids are to include **ALL COSTS** for the furnishing and installation of Fixtures, Furniture and Equipment, **including, but not limited to all labor, material, taxes, shipping and fees, as well as performing all installation work and any necessary storage and supplemental transportation.**

B. Subcontractors shall field check all necessary dimensions of all work and/or associated material whether furnished and/or installed by others or by Subcontractor to assure final proper fit and function of the work before fabrication commences. All work or rework necessitated by Subcontractors' failure to meet this requirement shall be done at Subcontractors' own expense.

C. All workmanship, materials, fixtures, specialties and equipment required shall be subject to and in accordance with the requirements of the applicable state, local and national codes and standards under which the installation is made. Work and materials specifically required by the state, local and national codes which are not specifically called out for in the Contract Documents, but necessary to complete the scope of work are the responsibility of the Subcontractor. These items shall be furnished and installed by the Subcontractor at their own expense.

D. Prior to starting work, subcontractors must inspect those areas prepared for your work and notify Hogan Construction Group of any deficiencies which impact your work. This inspection shall be done no less than five (5) working days from the anticipated start of activity.

IV. USE of CONSTRUCTION DOCUMENTS

A. Interpretation of Documents:

a. Any doubts regarding the meaning of any portion of the documents or questions about discrepancies in or omissions from any part of the documents should be brought to the attention of Hogan Construction Group immediately. **DO NOT** contact the Owner or Architect directly.

b. Interpretation or correction of the documents will be made only by addendum and will be made available via official posting and notification. Receipt of any and all addenda shall be acknowledged on the Bid Form. Only interpretations of changes in the form of a written addendum will be binding.

B. Substitute Material and Equipment:

a. The work shall be bid on the basis of proposed material and equipment or the method of installation described in the drawings or specified in the specifications without consideration of substitute or "or equal" items or methods unless the Contract Documents explicitly permit such items or methods.
