

# FULTON COUNTY BOARD OF DIRECTORS FOR THE PUBLIC ACCESS CHANNEL

Board Established by: County

**Description:**

On April 21, 2004, a Resolution was adopted by the Fulton County Board of Commissioners to activate the Fulton County Public Access Channel and a separate Resolution was adopted on April 21, 2004 to create the Fulton County Board of Directors for the Public Access Channel. On August 4, 2004, a Resolution was adopted to charge the Public Access Channel Board of Directors with certain duties. The Fulton County Public Access Channel operates pursuant to the Fulton County Franchise Agreement and receives fees solely for residents of unincorporated areas of the County. The only remaining unincorporated areas in Fulton County are located in South Fulton with the creation of several new municipalities. The Board of Commissioners revised the structure of the Board of Directors for the Fulton County Public Access Channel to better reflect the constituency that provides fees under the current Fulton County Cable Franchise Agreement.
