POLICY AND PROCEDURE

SUBJECT: Refund of Money Paid to Fulton County for
Specific
Programs That For Some Reason May Not Be
Accomplished

DATE: November 17, 1993

NUMBER: 200-4

Statement of Policy: Whenever a person, firm or other legal entity shall pay any sum of money to Fulton County for a specified purpose or service, but which because of circumstances cannot be accomplished in whole or in part, the Finance Director shall be authorized to refund such payment based on the recommendation of the responsible Department Head and upon supporting evidence to justify such refund.

Background: This policy outlines the actions to be taken to refund monies to individuals or corporate entities when a project in which they are involved is not completed, or is cancelled.

Applicability: This policy applies to all departments that have accepted fees or deposits for a purpose or service that for some reason cannot be accomplished. It does not apply to deposits received for projects that are covered by the Georgia Code dealing with Development Impact Fees or other development fees outlined in the Georgia Code. Additionally, refunds involving litigation or other legal matters must include an opinion from the County Attorney attesting to the propriety of the refund or a court document ordering the refund.

Responsibility: Department Heads are responsible for determining when monies are to be refunded. The Department Head will forward the supporting documents to the Finance Director, who will review them for completeness and for applicable refunds. A monthly report of refunds will be furnished to the County Manager and the Board of Commissioners.

Procedures: The Department Head will prepare a Payment Voucher and attach all necessary documentation, i.e., copies of cash receipt documents showing that the funds were, in fact, previously received and a memorandum stating the circumstances under which the refund is being made. This documentation will be forwarded to the Director of Finance for approval.
