As we reflect over the many milestones of 2011, we as a department have accomplished much. The Marshal’s Department has been working significantly towards accomplishing 100% customer service satisfaction throughout the county. For that reason, I thank each employee for your continuous diligence, hard work, and dedication as you served the citizens of Fulton County. Our accomplishments in 2011 would not have been possible without you.

Consequently, the fragile state of today’s economy has notably impacted our efforts to hire more deputies to service the citizens across our 14 municipalities in a more urgent, stronger, and responsive manner. We have received quite a bit more writs, civil lawsuit proceedings, and warrants than in previous years. Nonetheless, I am delighted to say that we have continued to make substantial progress, which has brought us closer to the reduction of carryover documents within our department.

The year 2012, will mark the eve of our 100 years of establishment which commenced in January of 1913. Hence, I challenge us all in making this year the best year by honoring our commitment to our mission. Thus, our noble duty is to preserve, protect and serve the citizens of Fulton County. Once again, thank you all for your sincere commitment to exceptional service.

Marshal Antonio R. Johnson

The Marshal’s Physical Fitness agenda is a volunteer program offered to sworn deputies and civilian staff. The opportunity was introduced by Marshal Antonio in 2008 because of his concern for good health; he implemented the program one day a week for an hour of exercise. The objective is to introduce a fitness regimen that challenges cardiovascular, muscle endurance and balance. Captain Morton who is the physical fitness manager has designed a 6.6 mile run/walk course that incorporates terrain elevations and declines. Before activities begin; dynamic stretching is done to warm muscles to prevent injuries. During the route various callisthenics are applied to challenge the conditioning efforts. When the route has been completed, static stretches and deep breathing are done to cool down and relax the body. The program continues to be a success as participants intermittently volunteer.

The Marshal’s employees also attended several of the advanced classes at the Fulton County Public Safety Training Center, the Georgia Public Safety Training Center and other off-site training centers as well. These classes held at the above-mentioned sites included: Defensive Tactics Instructor, Crisis Intervention Team Training (CIT), Interpersonal Communications, Instructor Training Course, Interviews and Interrogations, Criminal Procedures, Search Warrants and Affidavits, Shoot House 1, Health and Wellness, Fit for Street Duty, Supervision Module’s 1, 2 and 3, Fire Safety, TASER Annual Conference, TASER Instructor and Field Training Officer.
Was held at the Fulton County Southwest Arts Center in Atlanta. This year's theme was "The Essential Piece is YOU: Lead, Manage & Motivate."

With training Facilitators: Ladisa Onyilioogwu and Vicki Morris

Public Safety Memorial

May 11, 2011

The Marshal's Department started coordinating with other Fulton County Public Safety Agencies in 2009 to honor the families of those who made the ultimate sacrifice serving the citizens of Fulton County. To date the Marshal's Department has had one deputy killed in the line of duty on December 28, 1977, Deputy Marshal David Folds.

This year the Public Safety Memorial committee initiated a combined choir and Deputy C. Wilson participated from the Marshal's Department.

Community Outreach

Reaching Out and Giving Back to the Community

The Marshal's Department has made numerous investments back into the community during 2011. We have been very fortunate to be able to join forces with other outside agencies on several community outreach events throughout the year.

We are grateful for the support of Marshal Antonio Johnson for allowing us to partner with such agencies to provide a better working relationship and stance within Fulton County.

The outreach and collection of canned goods/perishable items in December was facilitated primarily by Fulton County Government and we have been an active department within the County for the past several years. This year our department collected over 600 items. The items that were collected will be sent to the Atlanta Community Food Bank.

Moreover, during the past two years, the Marshal’s Department has extended our relationship with the Berean Seven Day Adventist Church in Atlanta to assist in delivering Thanksgiving Day baskets to needy families and neighborhood residents. Once again, this past Thanksgiving, due to our partnership with the church, we were a part of a collaborative effort to provide 35 families with a Thanksgiving basket that included: a turkey, fruits, vegetables and standard staples. The recipients were from within our 13 municipalities where we distributed the meals, it is always a joy to see the faces of those that we have delivered food to. The people are not only, glowing with gratitude, but also generous with their appreciation. Moreover, it was a tremendous joy to be able to feed some of the less fortunate citizens of Fulton County in December after our Retirement/Holiday Celebration. Our Cadet Speller-Smith along with our Special Operations Division took all of the extra food to those located near 185 Central Avenue. These individuals were extremely grateful as we served them a good old fashioned home cooked meal.

There is a quote that states, “To the world, you may be one person, but to one person, you may be the world.” Thus, at the Fulton County Marshal's Department, we are the world to a host of folks and making positive contributions within the county.

The 43rd Annual King Holiday Celebration

Every year for more than 20 years the Marshal’s Department has been involved with all the King Day celebration activities such as the marching rally, youth conference and memorial service as well as an as-needed basis throughout the festive weekend.

On Saturday, March 5, 2011

The Marshal’s Department assisted with the 2011 “Stop the Bull” Anti-Bullying Rally

(Featuring the Bobby Tillman Pact)

Purpose: Violence prevention and intervention specialist joined forces with youth advocates to address the national issue of bullying and teen violence. Law Enforcement agencies, Community Leaders, coupled with celebrities and youth entertainers, assisted in delivering an anti-bullying message at this event. The purpose of this event was to offer solutions for in-school bullying, cyber-bullying, gang violence and more.

This non-profit organization led by Sylvia Webb as a quest to understand the fate that had befallen her cousin, Webb found the purpose she had been searching for. She began frequenting homeless shelters, volunteering to help those who needed a helping hand. The image of two pairs of shoes in a bag continued to haunt her from her cousin’s death. That’s when she decided her birthday theme from earlier that year would be the perfect name for her life’s work. She started 40 Girls and Some Shoes charity to put shoes on homeless feet.

We as a family collected a total of 1,376 pairs of shoes.

This project was championed by Cpt. F. Powell of the Marshal’s Department.

The Family of State Court of Fulton County and the Marshal’s Department helped in the quest of bringing shoes to the homeless. In an effort to reach out into the community even farther this year we have partnered with 40 Girls & Some Shoes, a non-profit organization for the distribution of the collected shoes for our 1st ANNUAL SHOE DRIVE that was held from:

April 6th through April 13th

Attendees from the Marshal’s Department consisted of:

**Marshall’s Department Participates in “National Night Out”**

“The Fulton County Marshal’s Department, in partnership with other Fulton County agencies and local neighborhoods joined forces with thousands of communities across the nation for the 28th Annual National Night Out (NNO) a crime and drug prevention event. Fulton County residents were invited to join the various Fulton County Law Enforcement Agencies at the “National Night Out” event that was held on Tuesday, August 2, 2011, from 6 p.m. – 9 p.m., at 5495 Old National Highway in College Park, GA.

National Night Out is designed to heighten crime awareness and support for crime and drug prevention efforts sending a message to criminals that neighborhoods are working together and fighting back against crime. Additionally, it strengthens neighborhoods, police and community partnerships. This event provides the community with an opportunity to see the scope and depth of the agency’s community-oriented policing philosophy. The personnel of the Marshal’s Department take personal pride in increasing awareness and strengthening involvement in anti-crime efforts. National Night Out participants had the opportunity to get information on law enforcement safety and how neighbors are working together with other agencies to make their communities safe.
The Fulton County Fire Department Fire Safety House was also on hand for kids to enjoy and learn about fire safety. Participants enjoyed live entertainment, food and fun activities for the kids. Pictured below are some of the employees that participated on Aug. 2nd.

Charity Basketball Fundraiser for Cpl. J. Jones

November 18, 2011 @ 8:00 pm
W.L. Brady Gymnasium
College Park, GA

Regrettably on September 22, 2011 our department experienced a tragic event because one of our deputies, Cpl. Jones, was severely hurt during a grease fire at his home. The fire caused 1st, 2nd, and 3rd degree burns to his face, arms and chest, requiring him to have skin graft surgery. Thankfully his recovery is coming along quite well. We are a fairly small department and we are pretty close, so this has really affected us all.

Cpl. Jones was at his home on Thursday evening asleep in his bed. His children were in the kitchen cooking and a grease fire started in a pot. The children rushed to get him out of bed to alert him of the fire in the pan on the stove. Cpl. Jones ran into the kitchen and saw that the fire was contained to the pan. He put on oven mitts and picked the pan up by the handle. He began making his way to the door with the intention of throwing the contents of the pan onto the pavement. Not knowing the weather conditions when Cpl. Jones opened the door a gust of wind blew the fire and the grease on his face, neck, chest and arms. His wife contacted emergency personnel and he was transported to Grady Hospital. He received the worst burns on his arm and chest and had to have skin graft surgery. He stayed in the Grady Burn Unit for approximately three weeks.

Cpl. Jones has worked in this department since July 2005. He comes to work every day with a smile on his face. He is always available to assist and give a lending hand. Through this event he has maintained the positive attitude for which he is known for. His presence is truly missed and we eagerly anticipate his return.

"Cpl. Jones is truly an inspiration and I think this has been displayed through all the selfless acts that he performs for the Marshal's Department and other areas of Fulton County," stated Reneka Barnes-Davis, Records and Property Custodian, Fulton County Marshal's Department.

This tragic event has taken a financial toll on his family so we as a department and family decided to host a charity basketball game and donate the proceeds to Cpl. Jones and his Family. As a result of this tragic incident we have partnered with the Fulton County Fire Rescue Department to host fire safety education classes with the Marshal’s Department and State Court employees on November 10 and November 14.

**BENEFIT BASKETBALL GAME** — Was held on Friday, Nov. 18, 2011 on behalf of Corporal Jones. As a result of the Charity Basketball event we were able to raise mammoth amount of $2,894.00 to help subsidize Corporal Jones and his family during the Holidays. All of this was made possible as a result of the kindness, love and contributions made from The Marshal’s Department, The Sheriff Office, The Solicitors Office, Purchasing & Compliance Department, The State Court Reporter’s, Chief Judges’ Patsy Porter and Stephanie Davis, Judges Melynee Leftridge and Stefani Lacour, Conflict Defender’s Office, Tax Commissioner’s Office and the many patrons who came out and supported us!

**THANK YOU, THANK YOU, THANK YOU**

Saint Francis of Assisi once said, “For it is in giving that we receive” and you have proven it through your gifts and participation. Again, THANK YOU all for your support in this great cause.

Remember the “Shop with a Cop” program we currently participated in? Well, it’s still around, only with a new name. Now it’s called “Cops for Kids,” and the Marshal’s Department continues to provide assistance in making sure children at need have a Merry Christmas.

Recently members of the department helped kids shop at the Wal-Mart located on Jonesboro Road in Union City on December 10, 2011. The deputies, as well as the civilians served as escorts/assistants to the families as they shopped throughout the store. Each family had a $150.00 Wal-Mart gift card to spend.

The Easter Seal Society selected children from the metro area to participate in the program. This year the Easter Seal North Georgia program selected 55 participants and 20 participants were selected from the FOP Lodge #64 (who submitted letters of needs). Special thanks to all the deputies and office administration for coming out and providing a Merry Christmas to 75 area children.
Special congratulations to all of those that were promoted, received service awards, and special recognition by external agencies. We salute Captain’s Brown & Lane on their retirement of over 20 years of faithful and dedicated service to the Fulton County Marshal’s Department.

Vishal Patel - was born and raised in Chicago, Illinois. He is a senior at Georgia State University where he majored in Criminal Justice. He decided to pursue Criminal Justice because he has a passion to assist the world in fighting crime. Upon his graduation in May, Vishal plans to obtain a position with a federal agency, preferably the United States Secret Service. He realized that his language skills, his vigilant personality and his security background would be a great asset to any federal agency.

The Student Internship Program is designed to provide college students with an opportunity to learn about the Georgia Criminal Justice System through observation of courtroom proceedings, field operations and administrative functions. When students complete the Internship Program, it is our desire that they are able to satisfy their college internship requirements, gain a better understanding of the criminal justice system and possibly interest them in law enforcement careers.

WE HAD A BLAST!!

Thanks to all who were able to attend our first Offsite Getaway Retreat at Highland Resort West Point Lake in LaGrange, Georgia. The water was warm, the boating/jet skiing was funny, the fishing was good...although only two fish were caught and the food was Superb! But most of all, it was great that so many of us and our family got a chance to have fun together away from work. Again, THANK YOU TROOPS for making our 2011 Offsite Getaway Goal a REALITY!
