

# RECYCLED ART CONTEST

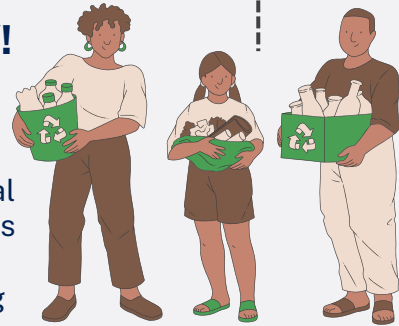

FULTON COUNTY  
PUBLIC WORKS

## YOU ARE INVITED TO ENTER IN TO THE RECYCLED ART CONTEST!

The goal of this mixed media contest is to bring awareness to one of our most challenging environmental issues: litter. When it rains, stormwater runoff carries litter directly to our most precious and limited water resources.

## CALLING ALL K-12 STUDENTS IN FULTON COUNTY!

To highlight the litter problem in our communities and to encourage environmental stewardship, participants will create and submit original artwork by using recycled items.

## SUBMISSION GUIDELINES

Artwork must be original and created by students. All entries must be created entirely by using recycled materials. **NO paint, marker, or crayons may be used.** Glue, aluminum or copper wire, and **colored** tape may be used to bind your art piece.

## SUBMISSION GUIDELINES

Entries must be either: Sculpture or Visual Art (collage, textured print). Submission may not exceed 2ft x 2ft x 2ft. One entry may be submitted per student. **NO group work.** Artwork must highlight litter as an environmental issue.

## WHERE DO I SUBMIT?

All participants must take a photo of their artwork and submit it as an attachment to [tinyurl.com/RAC2026](https://tinyurl.com/RAC2026) by 2/26/26. Late submissions will not be considered.

## WHAT ARE THE PRIZES?

All winners will receive a gift certificate and framed photograph of their artwork. All artwork remains the property of the Fulton County Department of Public Works and may be used in promotional materials and/or other media. All winners will be notified by April 1st by telephone or email.
