# FULTON COUNTY PUBLIC WORKS

# WATER CONNECTION PROCESS

**Is there a Fulton County water line running into the front side of your site?**

→ **NO** → See the DEVELOPMENT PERMITTING flow chart on the Water and Sewer Connections page.

Scan the QR code below to view the page on your device.

**NOT SURE** ↓

**YES** →

Contact Water Operations staff at swpermits@fultoncountyga.gov or 404.612.3421

**Fill out the following forms on the Water and Sewer Connections page:**
- **Application for Water/Sewer Service**
- **Credit Card Authorization**

Email completed forms to swpermits@fultoncountyga.gov or drop off at 11575 Maxwell Rd, Alpharetta, GA 30009 (during business hours).

Send the connection authorization form to your city's permitting department to obtain a Certificate of Occupancy (CO).

FC water operations staff will install the water meter. Estimated time for installation is 4-6 weeks.

**FC Staff Reviews Forms** ↓

FC staff will send water/sewer connection authorization to the email provided on your application.
