The approved 2026 Elections budget totals \$26.1 Million and includes funding for four election cycles during the year. September also included 2 civic holidays, so the VEO team planned and coordinated events for both National Disability Awareness Week, September 14-18, 2026, and National Voter Registration Day, September 15, 2026, hosting over 40 events. We also shared the same information with all libraries, recreation centers, high schools, and churches in the county for which we have contact information.

The VEO team also hosted Elections Academy and Deputy Registrar training for citizens who want to learn more about the elections process and to assist the county with our voter registration efforts. The VEO team is planning events for National Voter Education Week and Election Hero Day for staff. The VEO manager has been following the Elections Specification and Standards committee meetings and the State Election Board to keep the leadership team informed of any changes coming down the pipeline for the elections process.

The VEO team continues planning events and will keep contacting schools, communities, nonprofit organizations, and government officials to schedule future events throughout the county.
