SIX FORMS OF ACCEPTABLE PHOTO IDENTIFICATION

- A Georgia driver's license (even if expired)
- A valid State or federal government photo ID

An ID card may also be obtained from the Fulton County Government Center, North Fulton Service Center and South Fulton Service Center.

Proof of Georgia residency, registered voter status, and documentation of date of birth is required for issuance of the Voter ID card. The Georgia Voter ID card is valid for voting purposes only.

WAYS TO VOTE

Eligible voters have two ways to cast ballots <u>prior</u> to Election Day: Absentee Vote by Mail and Early Voting.

<u>Absentee **VOTE BY MAIL**:</u> Eligible voters (meaning registered voters) desiring to vote by mail may do so <u>WITHOUT PROVIDING A REASON OR IDENTIFICATION, IF AN APPLICATION FOR A BALLOT IS MAILED</u>. **However, this does not apply to voters who registered for the first time in Georgia by mail and did not provide ID with their registration application. First time voters must present one of the six acceptable forms of identification or a copy of a current utility bill, bank statement, government check, paycheck, or other governmental document that shows the name and address of the voter.**

<u>How to Request an Absentee Ballot</u>

Voters may **mail** or **fax** a written request for an absentee ballot. The written request should include the **name and date of the election (General Municipal and Special Runoff Elections – December 3, 2019), voter's name** and **address as registered, and date of birth. The address where the ballot is to be mailed, a daytime phone number, and voter's signature are also required.**

Voters may call the main Fulton County Registration and Elections Office at (404)-612-7060, and an application will be sent to them for completion. The absentee ballot request should be mailed to: **Fulton County Voter Registration, Attn: Absentee Ballot Division, 130 Peachtree St., SW, Suite 2186, Atlanta, GA 30303**. The fax number is (404)-612-3697. Requests for absentee ballots may be submitted now.

Applications for absentee ballots are available on the County's website: www.fultonelections.com

Users should then click on "**Voting Information**," and "**Voting by Mail**" to access the application.

<u>Last day to Request an Absentee Ballot</u>

Wednesday, November 27, 2019 is the last day that Fulton County Registration and Elections may mail out an Absentee Ballot at 6:00 pm. The office will be closed November 28 – 29, 2019 for Thanksgiving.

Voted ballots for **the General Municipal and Special Runoff Elections** that are sealed in the white and yellow envelopes provided, must be received in the Absentee Ballot section by **7:00 p.m.** on Election Day, **Tuesday, December 3, 2019**.

NOTICE: To ensure that an absentee ballot counts, voters must complete the following:

Clearly mark the ovals for the candidate selected, seal the ballot in the white envelope, then place the white envelope in the yellow outer envelope, and be sure to complete and sign the oath on the back of the yellow envelope before mailing.

EARLY VOTING- This is the second way to cast a ballot prior to Election Day. Early voting will begin on Monday, November 25, 2019 – Wednesday, November 27, 2019

Schedule is attached.

Those who vote in-person during Early Voting must provide an acceptable form of photo identification.

Voters who do not have any of the above IDs should contact the Georgia Department of Driver Services at: (678) 413-8400, (678) 413-8500 or (678) 413-8600 to obtain an official government photo ID card.

A voter without a driver's license or other acceptable photo ID may receive a free Georgia ID card upon providing proof they are a Georgia voter. An ID card valid for voting purposes only is available at the Fulton County Government Center, North Fulton Service Center and the South Fulton Service Center.

For additional information, please call the Voter Registration Office at (404) 612-7020.

COUNTING OF ABSENTEE AND PROVISIONAL BALLOTS

ABSENTEE BALLOTS - Will be tabulated beginning no earlier than 7:00 A.M. on Election Day until all ballots are counted at the Fulton County Elections Preparation Center at 1365 English Street, NW, Atlanta, Georgia 30318.

Provisional voters have until 5:00 p.m. the Friday **after** the election to provide any required documentation.

Provisional voting allows the voter to cast a paper ballot in person, even if all the requirements for doing so cannot be met at the time. The provisional ballot will count if the problem is solved within three days after Election Day.

The three reasons for voting a provisional ballot are:

1. Voter is unable to show one of the required forms of photo ID when voting in person.

2. When voter first registered to vote in Georgia, registration was by mail, the voter did not provide any identification at that time, and was unable to present acceptable identification the first time voter voted in person.

4. Voter's name does not appear on the list of registered voters in the precinct.
