Fulton County Elections Statement 2024 Fulton County Sheriff Race

As with all elections, Fulton County elections are conducted in a fair, accurate, and transparent manner. Unofficial election results are posted on the County's website on election night and are updated throughout the post-election process. Following Election Day, provisional ballots are reviewed and processed, and ballots requiring adjudication are reviewed by the Vote Review Panel, which includes confirming votes cast for qualified write-in candidates. These activities are completed prior to certification of the election results by the Fulton County Board of Registration and Elections on the following Monday.

Election results will continue to be updated on the County's website as the post-election process is completed and until the results are officially certified.

While election results may be reported by various media outlets and other sources, the most accurate and authoritative source for Fulton County election results is the County's official website.
