## **Fulton County Elections Statement on the FBI Raid**

Fulton County complied fully with the search warrant executed by the Federal Bureau of Investigation on January 28, seeking records related to the 2020 Election. Agents spent more than 8 hours at the Fulton County Elections Hub and Operations Center and had the opportunity to review all files related to the 2020 Election. Agents were made aware of all 2020 documents and selected the files that they removed from the premises. This is now a matter that is being handled by the courts.
