* If the fire and/or irrigation boxes are selected, please contact the BFP Coordinator, Jason Depas at Jason.Depas@fultoncountyga.gov or 404-612-4232 for backflow prevention requirements.

I hereby agree to accept the service herein applied for, subject to all Ordinances, Rules, and Regulations of, or pertaining to the Fulton County Department of Public Works now in effect, or that may hereafter be adopted and that all meters are property of Fulton County. All damaged or stolen meters are the responsibility of the property owner, for which there may be an additional charge. The property owner is responsible for the maintenance of the sewer lateral. The Builder is responsible for all water bills until transfer of property to Owner by Builder. This permit shall expire 6 months from the issue date unless an approved inspection is performed within that period or 6 months from the date of the most recently approved inspection. Water and Sewer Permits are NON-TRANSFERRABLE.

Please allow 10 business days for processing the application

** Fees for installation of meters include patching of disturbed pavement, but do not include milling and paving of roadway pavement that may be required by the local municipality. Applicants should coordinate with the appropriate municipal Public Works Department to determine any such requirements and either arrange for the municipality to perform the required milling and paving or have Fulton County perform the work and reimburse Fulton County for such expenses at Fulton County's cost.**
